PA PUBLIC UTILITY COMMISSION  
SECRETARY'S BUREAU

CAPTION: ROBERTS, GRACE VS. PECO ENERGY COMPANY

SUBJ: EXCEPTIONS TO THE DECISION CASE NUMBER: F-2018-3001072

CERTIFIED MAIL NUMBER:

On March 21, 2019 I am in receipt of your correspondence for my exceptions to the hearing that was heard, on the 6<sup>th</sup> day, of the month of August, in the year 2018, by so called "JUDGE F. JOSEPH BRADY" in which, I never received a fair and impartial hearing by this individual, in which this decision was mailed to me on the 13<sup>th</sup> day, of the month of March, in the year 2019. "NO, I DO NOT GIVE MY CONSENT in this fraudulent constructive commercial action".

OBJECTION to any all decisions made by JUDGE F. JOSEPH BRADY!! At no time, has this JUDGE ever recognized my status, his words are contradictory, by stating he asked me my name, then this judge not accepting my answer to his question, automatically assumed that I am a 14<sup>th</sup> amendment citizen, and presumed to state that I was not present, therefore the judge decided to violate my unalienable, unlimited, indefeasible and inherent rights and continue to trespass against my ens legist, because he has a beneficial gain in this method.

The "CITY OF PHILADELPHIA ELECTRIC COMPANY", aka PECO Energy Company employee(s) are interfering between Roberts', Grace Almighty, God, Master, Judge, which violates Roberts', Grace natural religious freedoms. Roberts, Grace, Now state, for and on the public Record and to be placed into the record that, Roberts, Grace at no time, accepts any substitute as being her Almighty".

My statement to this JUDGE this particular day, was "I am the register owner of the name that you presume that I am. I am not the ens legist". I now state, for the record, and to be placed on the record, that at no time, do I waive any of my rights. Therefore, I now rescind any and all signatures that my have signed or that PECO assumes that I signed.

I do not consent to any statue PECO stated or has stated. My constitutional rights are being violated by PECO. I have stated time and time again that my next door neighbor was stealing my electric. PECO claimed they have sent out, one of their employees to investigate and found no wrong doing, by my next door neighbor.

However, I have had a private independent agency investigate this matter, and this agency has found that my next door neighbor is stealing electricity.

Roberts, Grace constitutional rights are being violated by PECO, the constitution clearly states, "The people have a right to clean air, pure water, and to the preservation of the natural, scenic, historic and esthetic values of the environment. Pennsylvania's public natural resources are the common property of all the people, including generations yet to come." Therefore, PECO's decision is unconstitutional and I never owed anything to PECO for any services PECO provided to me. My

creator has given me unalienable, unlimited, indefeasible and inherent rights.

The purpose of government was to protect the people not make false charges, falsify documents, over step their bounds. This is what is happening in this case. Roberts, Grace does not need PECO's regulating, nor their statutes, rules and regulations which is not law.

My Almighty never left man to rule over man, Roberts', Grace Almighty, gave Roberts, Grace unalienable, indefeasible, unlimited rights, making any and all debts in ROBERTS', GRACE name "PAID IN FULL", this act by certain PECO employee(s) violates Roberts, Grace Constitutional indefeasible rights, freedoms, enjoying and defending my life, possessing and protecting my property and the pursuit of my happiness. PECO has placed Roberts, Grace in harms way, by turning her electricity off, for a debt that has nothing to do with Roberts, Grace, this is criminal negligence, genocide fraud and treason.

PECO can not take Roberts, Grace's rights and convert my rights into a privilege, to create a commercial gain, this is fraud. The treaties PECO agreed to in the beginning was to service the people, not charge the people. Therefore, discharge this debt. As I have stated previously, when I sent PECO's ceo's my bill of exchange. In which, PECO never sent back to me, therefore I know that they have cashed this bill of exchange. Now, PECO is double dipping for this debt three times over. At no time, am I using my private property for commercial use.

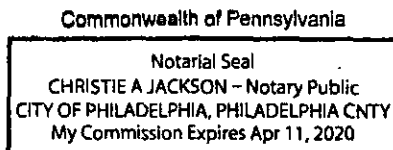

I DECLARE under penalty of perjury by the United States for America Constitution a republic form of government, that the foregoing is true and exact, subscribed to by Roberts, Grace before me on this 25<sup>th</sup> day, of the month of March in the year 2019.
