Re: Rapid Power Management, LLC – Application for Natural Gas License –
Broker/Marketeer

Hello,

Please find enclosed our documents to apply for a natural gas license in the State of Pennsylvania. We are a broker/marketeer, with no property or employees in Pennsylvania. At this time, we do not market to clients in Pennsylvania, we simply provide a service to our existing clients that may have a presence in Pennsylvania.

I have enclosed the original, as well as, a flash drive of our application. I called the secretary bureau at 717-772-7777 and was told that a flash drive was permitted. I asked for the persons name and she felt uncomfortable giving me her name. The name on the phone identifier was [redacted]. The application calls for a CD-ROM and I do not have access to a CD maker/player. All our laptops at Rapid Power do not have CD-ROM capabilities. I hope you will allow the flash drive.

Please reach out to me at 469-831-6484 or ctaylor@rapidpower.net if you require additional information or clarification. I appreciate your work on our application and look forward to hearing from you.

Sincerely,

Christa Taylor
Operations Manager

Section 2.01. Management of Company.

(a) The powers of the Company shall be exercised solely by or under the authority of, and the business and affairs of the Company shall be managed solely by, the Member. The Member shall devote such time to the Company and its business as is appropriate to conduct the business of the Company in an effective manner and to carry out its responsibilities herein, provided, however, that the Member shall not be obligated to devote its full time and attention to the business and affairs of the Company.

(b) Unless expressly prohibited by the Act or this Agreement, the Member may, from time to time, delegate to such other persons such authority and duties of the Member as the Member may deem advisable. The Member may appoint individuals as officers of the Company (the "Officers" or an "Officer") to act on behalf of the Company with such titles as the Member may elect, including without limitation the titles of President, Vice President, Treasurer and Secretary, and unless the Member decides otherwise, the assignment of such title shall constitute the delegation to such Officer of the authority and duties that are customary for an officer with such title of a corporation formed under the Texas Corporation Law, subject to any specific delegation of authority and duties made to such Officer. Any delegation or appointment pursuant to this Section 2.01(b) may be revoked at any time by the Member.

Section 2.02. Affiliates. The Member has the right to cause the Company to enter into contracts or otherwise deal with the Member or any of his affiliates in any capacity, including, without limitation, in connection with the financing, management, and development of the Company Assets.

Section 2.03. Expenses. The Company shall pay or reimburse the Member for all direct, out-of-pocket expenses incurred by it with respect to its duties under Section 2.01 to the Company, including, without limitation, salaries, accounting expenses, insurance premiums

attributable directly to the Company, legal fees, and other direct costs associated with the formation and operation of the Company.

Section 2.04. Exculpations; Indemnities.

(a) Neither the Officers and the Member and their affiliates nor any of their respective shareholders, officers, directors, partners, members, managers, employees or agents (individually a "Covered Person") shall be liable to the Company, the Member, or any other person for any act (including, without limitation, any negligent act) performed or omitted by such Covered Person in good faith and in the belief that such act or omission was in or was not opposed to the best interests of the Company, provided, that such act or omission was not fraud, willful misconduct, or a material violation of this Agreement by such Covered Person. No Covered Person shall be liable to the Company, the Member, or any other person, for any action of any other person, including, without limitation any employee or agent of the Covered Person, provided, such action is within the scope of the purposes of the Company and the Covered Person seeking exculpation satisfies the parameters of the preceding sentence.

(b) The Company shall indemnify, defend, and hold harmless each Covered Person (individually, an "Indemnitee") to the extent of the Company Assets, from and against any losses, expenses, judgments, fines, settlements, and damages incurred by the Company or such Indemnitee (including, without limitation, costs, expenses, and attorneys' fees expended in the settlement or defense of any such claim) arising out of any claim based upon acts (including, without limitation, negligent acts) performed or omitted by the Company or such Indemnitee in good faith and in the belief that such act or omission was in or was not opposed to the best interests of the Company, provided, that such act or omission was not fraud, willful misconduct, or a material violation of this Agreement by such Indemnitee. All decisions of the Company concerning the indemnity of any individual or entity by the Company shall be made by the Member.

ARTICLE III

FINANCING

Section 3.01. Funding.

(a) The Member may make capital contributions to the Company at such times, in such manner and in such amounts as the Member may determine in his sole discretion.

(b) If the Member determines that the Company requires funds for its day to day activities or for any other Company purpose, then the Member may cause the Company to borrow funds from any person on terms approved by the Member.

Section 3.02. Limited Liability of Member. Notwithstanding anything contained in this Agreement to the contrary and except as otherwise provided by the Act, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company. No Covered Person shall be obligated

personally for any such debt, obligation or liability of the Company solely by reason of being a Covered Person, and the liability of the Member for any of the debts, losses, or obligations of the Company shall be limited to the amount of capital contributed by the Member to the Company. Accordingly, no Covered Person shall be obligated to provide additional capital to the Company or its creditors by way of contribution, loan, or otherwise. Except as provided in the Act or as may be agreed by any Covered Person, no such Covered Person shall have any personal liability whatsoever, whether to the Company or any third party, for the debts of the Company or any of its losses.

Section 3.03. Benefits of Agreement. Nothing in this Agreement, and, without limiting the generality of the foregoing, in this Article III, expressed or implied, is intended or shall be construed to give to any creditor of the Company or to any creditor of the Member or any other person or entity whatsoever, other than the Member and the Company, any legal or equitable right, remedy, or claim under or in respect of this Agreement or any covenant, condition, or provision herein contained, and such provisions are and shall be held to be for the sole and exclusive benefit of the Member and the Company.

ARTICLE IV

ACCOUNTING

Section 4.01. Tax Status. The Company shall elect to be classified as an association treated as a corporation taxable under Subchapter S of the Code for federal income tax purposes. The Company and the Member agree to execute such documents and consents and to cause them to be delivered in a timely manner to the Internal Revenue Service in order to cause the Company to be classified as an association treated as a corporation taxable under Subchapter S of the Code for federal income tax purposes.

Section 4.02. Maintenance of S Election. Except as otherwise provided herein, during the term of this Agreement, no Member will take any action that would knowingly cause the revocation or termination of the S Election, and any attempt to take such an action will be null and void and without effect.

Section 4.03. Accounting.

(a) The fiscal year of the Company shall end on the last day of December of each year.

(b) The books of account of the Company shall be kept and maintained at all times at the principal place of business of the Company or at such other place or places approved by the Member. The books of account shall be maintained according to federal income tax principles using the permissible method of accounting chosen by the Member, consistently applied, and shall show all items of income and expense.

Section 4.04. Bank Accounts. Funds of the Company shall be deposited in a Company account or accounts in the bank or banks as selected by the Member. Withdrawals from bank accounts shall only be made by the Member or such other parties as may be approved by the Member.

Section 4.05. Current Distributions to the Member. Except as provided in Section 5.02 in connection with the termination and liquidation of the Company, the Company shall distribute funds to the Member at such times and in such amounts as the Member may determine in its sole discretion. In determining the amount of funds to distribute pursuant to this Section 4.05, the Member may consider such factors as the need to allocate funds to any reserves for Company contingencies or any other Company purposes that the Member deems necessary or appropriate.

ARTICLE V

WINDING UP AND TERMINATION

Section 5.01. Winding Up of the Company. The Company shall begin to wind up upon the occurrence of any of the following:

- (a) The sale or other disposition, not including an exchange, of substantially all of the assets of the Company (except under circumstances where all or a portion of the purchase price is payable after the closing of the sale or other disposition); or
- (b) Subject to any obligations of the Company, when approved by the Member.

Section 5.02. Termination and Liquidation of the Company.

(a) Upon the commencement of winding up the Company, the Company shall be wound up as rapidly as business circumstances will permit. The Member shall cause a full accounting of the assets and liabilities of the Company to be taken and a resulting statement of the Company Assets to be prepared and furnished to the Member as soon as is reasonably practicable. The Member shall take such action as is necessary so that the Company's business shall be terminated, its liabilities discharged, and its assets distributed as hereinafter described. The Member may sell any or all of the Company Assets or distribute any or all of the Company Assets in kind. A reasonable period of time shall be allowed for the orderly termination of the Company to minimize the normal losses of a liquidation process.

(b) After the payment of all expenses of liquidation and of all debts and liabilities of the Company in such order or priority as provided by law (including any debts or liabilities to the Member, who shall be treated as a secured or unsecured creditor, as may be the case, to the extent permitted by law, for sums loaned to the Company, if any, as distinguished from capital contributions), all remaining Company Assets shall then be distributed to the Member.

Section 5.03. Provisions Cumulative. All provisions of this Agreement relating to the winding up, liquidation, and termination of the Company shall be cumulative to the extent not inconsistent with other provisions herein; that is, the exercise or use of one of the provisions hereof shall not preclude the exercise or use of any other provision of this Agreement to the extent not inconsistent therewith.

ARTICLE VI

GENERALSection 6.01. Notice.

(a) All notices, demands, or requests provided for or permitted to be given pursuant to this Agreement must be in writing.

(b) All notices, demands, and requests to be sent to any party hereto, pursuant to this Agreement shall be deemed to have been properly given or served if: (i) personally delivered, (ii) deposited prepaid for next day delivery by Federal Express, or other similar overnight courier services, addressed to such party, (iii) deposited in the United States mail, addressed to such party, prepaid and registered or certified with return receipt requested, or (iv) transmitted via telecopier or other similar device to the attention of such party.

Bonding Letters

March 29, 2019

Mr. James "JD" Dodson
Attn: Christa Taylor
Rapid Power Management, LLC
4205 Stanley Dr
Carrollton, TX 75010

Dear Mr. James "JD" Dodson:

We are pleased that Rapid Power Management, LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Rapid Power Management, LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Rapid Power Management, LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Rapid Power Management, LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Rapid Power Management, LLC changes in the future, Columbia Gas might deem it appropriate to require Rapid Power Management, LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4881 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Debbie Vair

Re: Rapid Power Management, LLC

Dear James,

National Fuel Gas Distribution Corporation ("NFGDC") is aware Rapid Power Management, LLC (RPM) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas service to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, RPM must furnish acceptable security to each utility where RPM will do business. As such, under its tariff, NFGDC could require RPM to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that RPM intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, RPM will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, RPM does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by RPM change in the future, NFGDC reserves the right to require security from RPM as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7541.

Yours truly,

Nicole Barker

RE: Security Requirement Bond for Rapid Power Management

Dear Mr. Dodson:

Philadelphia Gas Works ("PGW") is aware that Rapid Power Management has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, Rapid Power Management must furnish acceptable security to each utility where Rapid Power Management will do business. As such, under its tariff, Philadelphia Gas Works could require Rapid Power Management to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, you have indicated, and it is Philadelphia Gas Works' understanding, that Rapid Power Management intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that in performing these services Rapid Power Management will never take title to any delivered natural gas.

Based upon your representations, Philadelphia Gas Works has determined that, at this time, Rapid Power Management does not need to post a bond or other form of security to operate in its service territory. If the services provided by Rapid Power Management should change, Philadelphia Gas Works reserves the right to require security from Rapid Power Management as it deems appropriate.

Re: Broker Requirements

Dear Rapid Power Management, LLC

PECO is aware that Rapid Power Management, LLC has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, Rapid Power Management, LLC could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Rapid Power Management, LLC has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers, and will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that Rapid Power Management, LLC does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by Rapid Power Management, LLC the creditworthiness requirement for PECO's exposure to Rapid Power Management, LLC changes in the future, PECO reserves the right to require Rapid Power Management, LLC provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

Respectfully submitted,

Dear Mr. Dodson:

We are pleased that Rapid Power Management, LLC has applied for a license to provide natural gas services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, Peoples Natural Gas Company LLC – Equitable Division, and Peoples Gas Company LLC (formerly Peoples TWP) (“the Companies”).

Since Rapid Power Management, LLC is not currently serving customers on the Peoples systems, we have determined at this time that Rapid Power Management, LLC does not need a bond or other financial security requirement to provide these services to the Company’s customers.

If a Pool is established, and customers are enrolled which alters the creditworthiness requirement or the Company’s exposure to Rapid Power Management, LLC provision of services on the Peoples’ system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

If you have any questions feel free to contact me at 412-208-6931 or by email at Carol.Scanlon@peoples-gas.com.

Sincerely,

Carol Scanlon

**RE: Rapid Power Management, LLC
Application to Serve as a Natural Gas Broker**

Dear Mr. Dodson,

Based on your assertion that Rapid Power Management, LLC ("RAPID POWER") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities, Inc. ("UGIU") has concluded that RAPID POWER will not need to post security with UGI Utilities, Inc. – South Rate District ("UGI South"), UGI Utilities, Inc. – North Rate District ("UGI North") or UGI Utilities, Inc. – Central Rate District ("UGI Central"). This is based on the declaration that RAPID POWER will be acting in conjunction with a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGIU Tariffs. If RAPID POWER wishes to directly serve Choice customers in the service territories of UGI South, UGI North and/or UGI Central in the future as a natural gas supplier, it will have to post security as specified in the respective UGI Tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions you may have.

Sincerely,

David E. Lahoff

ABOUT

Mr. Dodson started in the energy industry in February 2001, with a major energy retailer, Reliant Energy. This was towards the inception of deregulation in Texas as Mr. Dodson was tasked with selling energy contracts to the largest industrial loads in the state. From this experience, Mr. Dodson realized a void of providing turn-key solutions to the commercial and industrial power users. Thus, Mr. Dodson started Rapid Power Management in 2002 with the goal of providing both energy procurement and demand-side management solutions.

Power Factor was one of the first product offerings as North Texas faced penalties for not correcting to above 95%. RPM installed its first capacitor system in August 2003. Since then, RPM has installed thousands of units throughout the United States. Mr. Dodson has designed and managed dozens of Power Factor Correction projects dating back to 2003.

Rapid Power Management continues to grow the Power Factor Correction line due to our reputation of delivering both technical and economic sound solutions.
