Dear, Commission

Thank you for giving me the opportunity to file an answer to the notice I received.

I recently change insurance company in February 2019. I decided to go with progressive's new commercial policy that does not require a broker. Being foolish and unaware of the proper forms that, I needed to be filed on my behalf, I was unaware that Form E and Form H ever existed. Progressive recently sent the forms to the PUC and should be on file by the time this letter reaches you. Considering this is a first time offence, I would greatly appreciate leniency and request the fine be discharged. In the future I will be sure to keep current with form H & E.

Thank you for your time.
