**Re: Daniel Finn v. PPL Electric Utilities Corporation**  
**Docket No. C-2018-3005594**

Your Honor:

On April 16, 2019, PPL Electric Utilities Corporation (“PPL Electric” or the “Company”) filed a Motion to Compel Daniel Finn (“Complainant”) to provide responses to the Company’s first set of interrogatories (“PPL to Complainant Set I”). At the time of filing the Motion to Compel, the Complainant had provided no responses to PPL to Complainant Set I.

On April 18, 2019, my office received what appear to be the Complainant’s proposed exhibits for the evidentiary hearing on May 21, 2019. True and correct copies of these documents are enclosed.

If these documents are the Complainant’s proposed exhibits, they are only responsive to Question No. 7 of PPL to Complainant Set I. Moreover, there was no accompanying response stating that these are, in fact, the Complainant’s proposed hearing exhibits.

For these reasons, PPL Electric’s Motion to Compel responses to PPL to Complainant Set I still stands and remains ripe for disposition.

Copies of this letter and the enclosed documents will be provided as indicated on the Certificate of Service.
