Docket # C-2018-3001526

Commonwealth of PA, PA. PUC, Office of Administrative Law Office:

In Response to the Interim Order
Requiring Parties to Confer To Schedule Hearing
Date:

1. I do not have internet capabilities. I do not have an email address nor will there be facsimile transmission of documents. All my documents will be in WORD format sent to all parties concerned. I will send them by class mail with tracking.

2. I do not have any witnesses and my WORD format should satisfy any questions of opposing witnesses.

3. Since my health is not good - especially my Asthma, heart & back I request the hearing be conducted by telephone.

4. As I have tried 3 times in the past 2 yrs., that I have been fighting Met-Ed without any settlement; Settlement is unlikely since the PA.

PUC said they couldn't come even close to a settlement after 3 failures is why we are here at litigation.

5. I will not use any DVD's even though Met-Ed is holding one of the DVD's. I asked them to view. I would like it back as I have already requested without success.

6. As for "confidential" information all the information that I sent is known by anyone fighting Smart-meters - It's public knowledge. All I ask is that my medical information & my husband's medical information not go any further than the court room.

7. I have no attorney. I've done all the work & studying on Smart Meters, SmartGrid by myself & such am representing myself. I do not request any attorney because I know more about Smart Meters than any attorney I know. And I try to keep in the Bounds of the Law. I do believe my WORD documents sent to you shows all truth with Proof. And I do believe It has covered every aspect of Smart-Meters.

8. I want to thank Dan from the Administrative Law Office for his phone call as to the Copies I need to send for Litigation & too now I need to send them. Thank You. If I have not answered all your questions please contact me and I will respond.

Thank You,
Norma Mosley
