Docket number C-2018-3001474

It was our intention to provide you with an original copy, signed in ink, requesting a rescheduling of the prehearing conference originally scheduled for April 16, 2019.

I must have inadvertently sent the original signed copy to one of the parties involved in this action, Lauren Lepkoski or Jeffrey A Watson or kept it for our files. I am forwarding our file copy to you in the hope that it is the original signed copy.

If it is not the original signed copy and you still require an original signed copy, we could sign another copy.

I was only sent a copy of this letter (attached) and not a copy of the request for rescheduling with tabs. I assume that she was sent a copy with tabs and I am expecting that she will sign it and forward it to me.

You are aware of the issues that she has receiving and sending mail in a timely manner.

Please update me as to the status of this issue.
