Dear Secretary,

I did not realize that E-Service would mean that I would not also be sent the Decision of Judge Haas by "Certified Mail." I have been waiting + waiting + watching my mail to no avail. Therefore, I am requesting the Commissioner to serve Judge Haas's Decision by "Certified Mail" and set a new Extension Period.

If, this is not possible, I would ask that this letter be considered as a Petition or Reconsideration, because I strongly disagree with the Judge's Decision. The Evidence that I clearly presented was pictures of dead trees and the severe losses that I have incurred (when I had living trees before PPL came through to damage my property).

As for anything in the future, even though I have an E-Filing account, I am asking to be served by "Certified Mail."

Sincerely,

Susan Messick
