

Registration for Previous Calendar Year Ending: 2018

Docket Number: A-2012-2293551

MarkWest-PA PUC Act127 2018 Registration-32412-PAPUC Response Explanations

This submittal is to address discrepancies from the 2017 vs. the 2018 Annual Registration Forms which are as follows:

Attachment A:

Allegheny - The previous submitter incorrectly reported a liquid line that we do not operate.

Greene - The previous submitter incorrectly used .3 miles instead of .2 miles. Additionally, this went from Intrastate to Interstate pipeline.

Washington - The previous submitter incorrectly used 74 miles which was the total length of the pipelines instead of using the Direct/Indirect impact mileage. Also, some of the 74 miles went to the Interstate from Intrastate designation.

Attachment B:

Allegheny - The previous submitter incorrectly submitted .8 miles for 2017 instead of .6 miles due to miss calculation.

Beaver - This line was incorrectly reported in 2017 as a gas gathering line with Class I, II, and III by the previous submitter but is a Liquid Ethane line which doesn't apply.

Butler - The previous submitter incorrectly reported 106.8 miles of Class I, 52.0 miles of Class II, and 4.2 miles of Class III gas gathering for 2017 due to miss calculations.

Greene - 1.1 miles Class I gas gathering was incorrectly reported for 2017 by previous submitter due to miss calculation. The .7 miles was also incorrectly submitted for 2018 and should be .9 due to a missed segment of another line.

Lawrence - Just a decimal rounding issue between 2017 and 2018 for Class I gas gathering. However, after doing a more detailed calculation it should be 3.3 miles for 2018.

Washington - The previous submitter incorrectly reported 468.5 miles of Class I, 48.9 miles of Class II, and 6.6 miles of Class III gas gathering for 2017 due to miss calculations.

I, Wayne Ostwald, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. § 4904 (relating to unsworn falsification to authorities).
