To whom it may concern:

I received a penalty of \$500.00 from the Pennsylvania Public Utility Commission Bureau of Investigation and Enforcement.

I feel that I should not have to pay the penalty because my insurance company (Gingrich) sent over the certificate of liability insurance on February 22nd, 2019. We received a paper saying PUC never received our proof of insurance, so we then had Gingrich Insurance resend the certificate of liability insurance on April 4th, 2019.

Thanks,

Lisa,

On the date below, April 4th, when you called into our office about receiving a letter from the PUC Commission, I called National General Insurance. They sent me the below and told me that this form was filed on 02/22/2019.

Starting the date of April 4th, I have called the PUC Commission several times and had to leave a voice mail for someone at 717-783-3847 requesting a call back....to this date, I have never received any call back.

I will email Mr. Swindler today with the form to see if this will suffice.

Thank you.

Kim
