Re: Knox Energy Cooperative Association, Inc., Inc. Data Request  
Docket No. A-2012-2294046

Dear Ms. Chiavetta,

This letter is the response for the data Request regarding the Act 127 Registration for the Knox Cooperative Association, Inc., as per the attached document.

The reduction of 0.2 mile of pipeline in Butler County is the result of abandonment of old bare steel pipeline which had become unusable due to its' condition.

The 2017 registration reported 10 miles of distribution pipeline in Butler County as Class 1. The registrations for 2015, 2016 and 2018 report mileage in Butler County as Class 2. The reporting of 10 miles of pipeline as Class 1 on the 2017 registration is in error and not correct. The pipeline in Butler County is in a Class 2 area and should have been reported as such in 2017.

I, Douglas P. Gray, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. 4904 (relating to unsworn falsification to authorities).
