Re: Keystone Cooperative Association, Inc. Data Request
Docket No. A-2012-2294042

Dear Ms. Chiavetta,

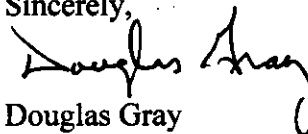

This letter is the response for the data Request regarding the Act 127 Registration for the Keystone Cooperative Association, Inc., as per the attached document.

The increase of 0.50 mile of pipeline is the result of new construction. The Keystone system is a plastic distribution system the serves Borough of Winder, PA. As new customers are added, it sometimes requires short extensions to be added to the existing infrastructure to serve them.

I, Douglas P. Gray, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expects to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. 4904 (relating to unsworn falsification to authorities).

Douglas P Gray
V.P. Compliance, Utility Pipeline Ltd.
Agent for Keystone Cooperative Association, Inc.

Sincerely,

Douglas Gray
V.P. Compliance

Keystone Cooperative Association, Inc
