Re: Paul Berginc v. West Penn Power Company
Docket No. C-2017-2632636

Dear Secretary Chiavetta:

In accordance with the Interim Order issued on November 19, 2018 in the above-referenced matter, this letter serves as a status report on behalf of West Penn Power Company ("West Penn"). Consistent with that Interim Order, West Penn initiated discovery on January 29, 2019. Mr. Berginc did not respond to West Penn's discovery. Due to lack of response, West Penn filed a Motion to Compel on February 22, 2019. The Motion was granted by Interim Order dated March 4, 2019, which directed Mr. Berginc to provide responses no later than March 28, 2019. Mr. Berginc still failed to respond, and West Penn filed a Motion to Dismiss on April 18, 2019. Mr. Berginc then provided incomplete responses to the discovery and, on April 24, 2019, an Amended Motion to Dismiss was filed. That motion remains outstanding at this time.

Further, Mr. Berginc has failed to provide notification of his expert and factual witnesses in accordance with the November 19, 2018 Interim Order. West Penn timely provided notice of its expert and factual witnesses.

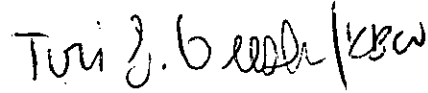

At this point, West Penn suggests that a prehearing conference be set so as to ascertain the Complainant's intent in presenting witnesses at an evidentiary hearing in this matter, as well as to make certain revisions to the procedural schedule in anticipation of evidentiary hearings.
