Re: Unitil Resources, d/b/a Usource

Dear Secretary McNulty:

This correspondence is in reference to the natural gas supplier license for the above-referenced corporation, issued at Docket No. A125078.

It has recently come to my attention that there is a discrepancy between the license issued by the Public Utility Commission and the Order of the Commission (attached). Specifically, Paragraphs 2 and 3 of the Order state that a license will be issued authorizing Usource to provide service in the territories of eight (8) named companies, but the license only lists six (6) of those companies. The missing companies are The Peoples Natural Gas Company and Equitable Gas Company.

Additionally, as you know, by a Secretarial letter of June 21, 2000, Usource was authorized to provide service in the territories of PG Energy and Columbia Gas of Pennsylvania.

Could the PUC please issue a corrected license listing each of the companies in whose service territories Usource is now authorized to provide service?

Thank you for your attention to this matter.

Sincerely,

*Jonathan P. Nase*
