**MOTION OF METROPOLITAN EDISON COMPANY TO DISMISS COMPLAINT OF
DENISE COLANTUONO FOR FAILURE TO COMPLY WITH ORDERS**

TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:

Metropolitan Edison Company (“Met-Ed” or the “Company”) by and through its attorneys, Lauren M. Lepkoski and Tori L. Giesler, and pursuant to 52 Pa. Code §§ 5.245, 5.371-5.372, hereby files this Motion to Dismiss the Formal Complaint of Denise Colantuono (“Complainant”) for her to comply with Administrative Law Judge (“ALJ”) Jeffrey A. Watson’s Orders or respond to discovery propounded by Met-Ed. In support thereof, the Company avers as follows:

I. BACKGROUND

1. On November 15, 2018, the Complainant filed a Formal Complaint with the Pennsylvania Public Utility Commission (“Commission”) regarding her electric service at 110 Misty Lane, Reading, Pennsylvania 19606, which was electronically served on the Company that same date.

2. On December 5, 2018, the Company filed its Answer and New Matter denying the material allegations in the Formal Complaint. On that same day, the Company also filed Preliminary Objections to the Formal Complaint.

3. On December 26, 2018, the Complainant filed a request for an extension of time to respond to the Company’s Answer and New Matter and Preliminary Objections.

4. On January 3, 2019, a Motion Judge Assignment Notice was issued assigning Administrative Law Judge (“ALJ”) Jeffrey A. Watson to this proceeding.

5. On January 25, 2019, ALJ Watson issued an Interim Order which granted the Complainant’s request for an extension until February 15, 2019, to file a response to the Company’s Answer and New Matter and Preliminary Objections.

6. On February 15, 2019, the Complainant filed a response to the Company’s Answer and New Matter.

7. On March 5, 2019, ALJ Watson issued an Interim Order denying the Company’s Preliminary Objections.

8. On March 19, 2019, ALJ Watson issued an Interim Order scheduling a prehearing conference as well as an Interim Order Establishing Initial Litigation Schedule was issued which set forth the schedule for discovery, the identification of witnesses, and filing of motions in this proceeding. Relevant to this Motion, ALJ Watson issued a discovery deadline of June 14, 2019.

9. Also on March 19, 2019, a Call-In Telephone Pre-Hearing Conference Notice was issued which scheduled a prehearing conference for May 1, 2019.

10. On March 20, 2019, in accordance with 52 Pa. Code § 5.341, the Company forwarded to the Complainant interrogatories and document requests (“Discovery Requests”) via first class mail. In its Discovery Requests, the Company sought information and documents related to the Complainant’s allegations regarding the Company’s smart meters. A full copy of the Company’s Discovery Requests is attached as Exhibit A.

11. On April 18, 2019, the Company requested a continuance of the prehearing conference scheduled for May 1, 2019.

12. Due to a lack of response to the Discovery Requests, on April 23, 2019, the Company filed a Motion to Compel.

13. On April 25, 2019, an Interim Order Cancelling Prehearing Conference was issued which granted the Company's requested continuance and ordered that the prehearing conference would be rescheduled.

14. On April 26, 2019, a Cancel/Reschedule/Pre-Hearing Conference Notice was issued which rescheduled the prehearing conference for May 22, 2019.

15. The Complainant did not file any objection to the Discovery Requests and has not provided any responses or the requested documents by the due date.

16. On April 23, 2019, the prehearing conference was held and the Complainant and counsel for the Company appeared and participated.

17. On April 24, 2019, an Interim Order Revising Initial Litigation Schedule was issued which set forth the revised schedule for discovery, the identification of witnesses, and filing of motions in this proceeding. Relevant to this Motion, ALJ Watson issued a revised witness notification deadline of May 8, 2019 and a revised discovery deadline of June 28, 2019.

18. On May 1, 2019, ALJ Watson issued an Interim Order which granted the Company's Motion to Compel and ordered the Complainant to serve upon counsel for the Company full and complete responses to all of the Discovery Requests not later than May 20, 2019.

19. On May 1, 2019, in accordance with the Interim Order Establishing a Litigation Schedule, the Company provided notice and summaries of testimony for its factual and expert witnesses.

20. On May 20, 2019, the Company received incomplete responses to the Company's Discovery Requests from the Complainant in contradiction to ALJ Watson's Interim Order of May 1, 2019, which directed the Complainant to provide *full and complete responses to all of the Interrogatories and Request For Production of Documents served upon Complainant* by the Company. Specifically, the Complainant responded "n/a" or refused to provide a response for questions 1g, 1i, 21, 23, 24, 28, 32, responded "irrelevant" or "not relevant in this trial" for questions 1e, 1f, 25, 26 and untimely objected to questions 33-39.

21. Further, the Complainant has ignored ALJ Watson's Interim Order Revising Litigation Schedule requiring the exchange expert and factual witness information by May 1, 2019, as no witness information has been received from the Complainant as of the filing of this Motion.

22. The Company now files this Motion to dismiss the Formal Complaint of the Complainant due to her repeated failures to abide by the Interim Orders of ALJ Watson, failure to respond to the Company's Discovery Requests and failure to exchange expert and factual witness information.

II. MOTION TO DISMISS

23. The Commission's regulations permit the discovery of "any matter, not privileged, which is relevant to the subject matter involved in the pending action." 52 Pa. Code § 5.321(c).

24. Generally speaking, this Commission applies a standard of relevance which is less restrictive than that required by parties to present information into the evidentiary record. It is not grounds for objection that the information sought will be inadmissible at hearing if the information sought appears reasonably calculated to lead to the discovery of admissible evidence. 52 Pa. Code § 5.321(c).

25. Discovery may be obtained regarding any matter relevant to the subject matter. Relevant evidence is evidence that tends to make an act at issue more or less probable. Moreover, evidence is relevant if it advances the inquiry in some degree and, thus, has probative value. Although the law does not furnish an absolute test of relevancy, the Pennsylvania Supreme Court follows a two-part analysis for determining relevance. In *Commonwealth v. Stewart*, 461 Pa. 274, 336 A.2d 282 (1975), the Court held that “[i]t must be determined first if the inference sought to be raised by the evidence bears upon a matter at issue in this case and, second, whether the evidence renders the desired inference more probable than it would be without the evidence. *Id.* at 284.

26. The information sought here by the Company is relatively simple and straightforward. It is directly relevant and material to the issues raised by the Complainant in her Formal Complaint. The Company is entitled to the requested information to enable it to fully investigate what information the Complainant relied on to make the specific and detailed allegations she did in her Formal Complaint. If the Complainant needed more time to completely answer the Company’s Discovery Requests, she could have contacted the Company to request an extension.

27. The Commission’s Regulations at 52 Pa. Code § 5.371 address the consequences of a participant’s failure to comply with the Commission’s discovery regulations. Section 5.371 provides that:

- (a) The Commission or the presiding officer may, on motion, make an appropriate order if one of the following occurs:
 - (1) A party fails to appear, answer, file sufficient answers, file objections, make a designation or otherwise respond to discovery requests, as required under this subchapter.

28. Further, 52 Pa. Code § 5.372 provides that the presiding officer may impose appropriate sanctions upon a party found to be found in violation of the obligations set forth in the Commission's Regulations.

29. As a result of the Complainant's failure to provide full and complete responses to all of the Company's Discovery Requests and failure to provide notification of any potential witnesses in contradiction to the Interim Orders issued by ALJ Watson, she has demonstrated her lack of cooperation and willingness to participate in this proceeding as required under the Commission's regulations. As a result, the Formal Complaint in this proceeding should be dismissed in its entirety.

WHEREFORE, Metropolitan Edison Company respectfully requests that the Commission dismiss, with prejudice, the Complaint of Denise Colantuono.

Respectfully submitted,
