MOTION FOR EXTENSION OF TIME

Your Honor,

I am requesting an extension of time to provide direct testimony of myself and my expert witness.

I have had difficulty communicating with my expert witness as she resides in the UK. The time difference makes it nearly impossible to reach Dr. Mallery-Blythe and her schedule is full most days.

I am hindered by time constraints caring for my disabled son 24/7. My time is not my own. My whole family has been ill for the past two weeks and I was not able to do anything. My son has had multiple medical appointments in the last two months which is time consuming and limits what I am able to do.

I am at an automatic disadvantage as I am pro se. I do not have the staffing resources that are at West Penn Power's avail. I am not an attorney and lack legal knowledge.

It has been extremely difficult to get the documents prepared and ready to submit at each deadline with the responsibilities I have with the care of my son. I have very little time to work on my case.

THEREFORE, Complainant, Michael T. Jennings, respectfully requests an extension of time to provide my testimony and the testimony of my expert witness.

This document has been served as shown in the Certificate of Service.

Respectfully Submitted,

Michael T. Jennings  
Complainant
