Docket No. C-2019-3009900

As of May 5, 2019, Copperhead Custom, Inc, was signed on with a new insurance carrier, Selective Insurance. The paperwork was processed a few days prior and I thought my insurance agent sent verification of my updated insurance. My agent is aware of this letter I received and will be sending the proper proof of insurance over. I apologize for any inconvenience.

Sincerely,

A handwritten signature in blue ink that reads "Jacqui Carson, pres." The signature is written in a cursive style.

Jacqui Carson, president
