SECRETARY'S BUREAU

Dear Rosemary,

Hadley Construction, Inc. is formally writing to you regarding Docket Number C-2019-3009696. We were under the impression that our proof of insurance was filed with the Pennsylvania Public Utility Commission for the 2019 year. Once we received the letter in the mail stating that our operating authority was suspended since our insurance was not filed by our insurance company, we immediately contacted our insurance agent to have him rectify the issue. Please see attached email to our insurance agent.

Hadley Construction, Inc. is requesting that the \$500.00 fine be waved since we were unaware of the issue and had it taken care of immediately after it was brought to our attention. See attached Notice to Lift Suspension letter we received, as well.

If you have any questions regarding this matter, please contact us at any time.

Thank you,

Pat Hadley
President

Hi Joe,

We received a letter from PA PUC – our insurance was never filed this year and due to that our ability to operate is suspended.

On the form it says that our insurer must file the appropriate forms.

Can you please take care of this ASAP? Pat isn't very happy.

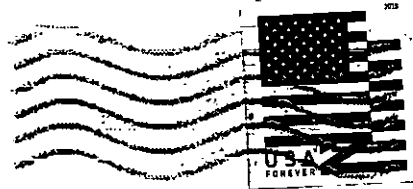

Thanks,
Kara
