DOCKET NUMBER #C-2018-3006030**

Dear Secretary Chiavetta:

I am hereby seeking an attorney for representation in this case and I have no control over their response back to me ,i am looking for an extension in the request to respond to this motion to dismiss paperwork. In this time i would like to review my rights and also be able to have a consultation with them.

My consultation is not set up yet due to an out of town commitment that was already assigned to them. The secretary was advising me to not answer any more paperwork due to my concerned of being represented properly in this matter.
