Docket No. C – 2019 – 3010028

**Philadelphia Gas Works
Preliminary Objections and Motion to Strike**

Pursuant to 52 Pa. Code §5.101, the Philadelphia Gas Works (“PGW”) hereby files its Preliminary Objection to the Complaint filed in the above captioned matter on the grounds that the Commission is without authorization to grant the Complainant’s relief, and that the Complaint includes impertinent matter in its requested relief and therefore moves to strike such matter and requested relief.

In support of its preliminary objection and motion to strike, PGW hereby avers the following:

1. On or about May 16, 2019, the Complainant filed a formal complaint against PGW with the Commission under the above captioned matter regarding the bill at 1240 W. Oakdale Street, Philadelphia, Pennsylvania (Service Address).
2. For the period from July 1998 through April 2005, the Complainant was the PGW customer of record at the Subject Property and owed approximately \$7,000 for unpaid gas service to the Subject Property.
3. On October 4, 2004, a lien at Docket 050530610 was field against the property in the amount of \$7,741.38.
4. On April 18, 2005, a lien at Docket 050530610 was filed against the property in the amount of \$5,440.42.
5. The Complainant avers that the bill, which is the basis or the liens, does not belong to her.
6. The Complainant requests relief in the form of erasing the balance.

7. Pursuant to the Municipal Claim and Tax Lien Law, Act 153 of 1923, P.L. 207 53 P.S. §7101, et seq. (Municipal Lien Act), the City of Philadelphia as owner of PGW has the right to collect on municipal claims owed to PGW for gas service to a Service Address.

8. Under the Commission's Rules of Administrative Practice and Procedure at 52 Pa. Code §5.101, the treatment of preliminary objections is comparable to that of Pennsylvania civil practice. (See: Order Sustaining Preliminary Objection in *Paul W. Fricker v. PECO Energy Company*, Docket No. C-2009-2094757 (May 21, 2009))

The Commission's regulations provide, in relevant part:

(a) *Grounds.* Preliminary objections are available to parties and may be filed in response to a pleading except motions and prior preliminary objections. Preliminary objections...must state specifically the legal and factual grounds relied upon and be limited to the following:

...

(2) Failure of a pleading to conform to this chapter or the inclusion of scandalous or impertinent matter.

52 Pa. Code §5.101(a) (2)¹

9. Pursuant to the Natural Gas Choice and Competition Act, 66 Pa. C.S.A Section 2201 et seq., section 2212(n), which specifically provides, "Nothing contained in this title shall abrogate the power of a city natural gas distribution operation to collect delinquent receivables through the imposition of liens pursuant to section 3 of the act of May 16, 1923 (P.L. 207, No. 153), referred to as the Municipal Claim and Tax Lien Law, or otherwise. Thus, under 66 Pa. C.S.A Section 2212(n), the Commission has no jurisdiction over the filing of such a lien."²

10. The Commission has repeatedly recognized its lack of subject matter jurisdiction in cases involving a dispute over a municipal lien placed upon a property. *Cornelia Strowder v. Philadelphia Gas Works*, 2002 WL 32069511

Philadelphia Gas Works*, Docket Number C-2009-2138638, (Final Order entered February 5, 2010), *Agron Vata v. Philadelphia Gas Works*, Docket No. C-2009-2119940 (Final Opinion and Order entered July 1, 2011), *Larry and Gail Newman v. Philadelphia Gas Works*, C-2011-2273565 (Final Opinion and Order issued March 29, 2012)

11. Pursuant to the Responsible Utility Customer Protection Act at 66 Pa. Cons. Stat. § 1414, which states: “[a] city natural gas distribution operation furnishing gas service to a property is entitled to impose or assess a municipal claim against the property and file as liens of record claims for unpaid natural gas distribution service and other related costs, including natural gas supply” clarifies and confirms such rights to impose a lien.

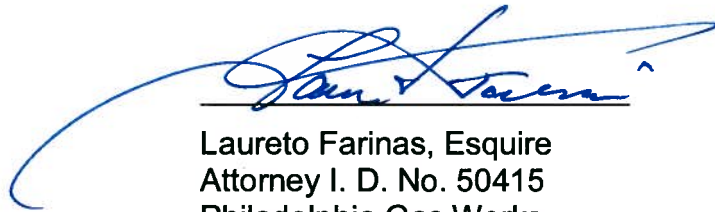

12. The nature of a lien is such that it encumbers the real estate, regardless who caused the event, which results in the imposition of a municipal claim. PGW may collect as a municipal claim, unpaid debt for gas service rendered, even when the gas service was not rendered to the owner of the property. *Newberry Township v. Ray Stambaugh*, 848 A.2d 173; (Pa. Cmwlth. 2000)

13. As the Commission is without jurisdiction to decide on matters involving the imposition of the municipal lien, the Complainant's request for relief is "impertinent matter" within the use and meaning of 52 Pa. Code §5.101(a) (2) and, should be stricken from the Complaint.³

Wherefore, PGW respectfully requests that this Commission sustain PGW's preliminary objection to the Complaint and strike off the requested relief as impertinent matter.

Respectfully submitted,
