Re: Michael and Sharon Hartman v. PPL Electric Utilities Corporation Docket No: C-2019-3008272

Your Honor:

Enclosed please find the Hartman's initial Request for Document Production mailed to Secretary Chiavetta and Kimberly Krupka, counsel for PPL on May 2, 2019, and emailed on the same day to Kimberly G. Krupka.

In our letter to the Secretary, we did not object to PPL's request to continue the scheduled May 16, 2019 hearing to a later date.

In the letter to the Secretary, we respectfully requested that the hearing be conducted in person, not via telephone. We now respectfully request that the hearing be held at 1650 Primrose Lane, the site of the PPL right of way. A hearing at the site will actually save the Commission and Court time because PPL's wanton and malicious abuse of our property and the environment will become readily apparent during a quick tour of the property.

Also, we have enclosed three copies of the Basis for our Formal PUC Complaint vs. PPL and Exhibits 1 through 4 referenced therein for your consideration during the hearing.

Sincerely yours,

Michael Hartman

Complainant

cc: Kimberly G. Krupka
