

C-2018-3006234

June 23, 2018

The PUC paper work has listed a cell phone number, that has NEVER been connected to myself. So this telephone interview would have been with no party. Or a party who is not connected to me in any way shape or form.

March 21, 2019 letter, lists my number as #570-286-2203. This phone number is not, and never was a phone number connected to me.

Reviewing where to correct information, the platform does not allow me to correct my phone number. Due to the grave importance of this matter, use my landline #570-301-6676.

Respectfully yours, Mr Roger Brodzinski
