Re: Noreen McCarthy v. Metropolitan Edison Company
Docket No. C-2019-3006923

Dear Secretary Chiavetta:

In correspondence filed by Noreen McCarthy (“Complainant”) dated June 27, 2019, the Complainant stated, “Respondent was late on sending Objections of MetEd Interrogatories, and I did not hold that against you.” Metropolitan Edison Company (the “Company” or “Met-Ed”) offers the following in response should the correspondence be considered a motion to compel. The Complainant served counsel for the Company with her Interrogatories and Request for Production of Documents (Set I) on June 13, 2019 via e-mail. The Company timely submitted objections to the discovery requests on Monday, June 24, 2019, as the ten-day deadline for objections was Sunday, June 23, 2019. Further, the Company submitted its responses to the discovery requests on June 28, 2019, earlier than the required deadline of July 3, 2019.

Please contact me if you have any questions regarding this matter.

Very truly yours,

Tori L. Giesler
