**MOTION OF PPL ELECTRIC UTILITIES CORPORATION TO
COMPEL RESPONSES TO
DISCOVERY PROPOUNDED ON ROSE MARY AND GEOFFREY ALAN SMITH –
SET I**

TO ADMINISTRATIVE LAW JUDGE ELIZABETH H. BARNES:

Pursuant to 52 Pa. Code §§ 5.342(g) and 5.349(d), PPL Electric Utilities Corporation (“PPL Electric” or the “Company”) hereby files this Motion to Compel Responses to Discovery Propounded on Rose Mary and Geoffrey Alan Smith (“Complainants”) – Set I. In support of its Motion, PPL Electric states as follows:

I. INTRODUCTION

1. On April 17, 2019, PPL Electric served Interrogatories and Requests for Production of Documents on the Complainants – Set I (“PPL to Complainants Set I”) via certified mail. This mailing was returned because the Complainants never picked up the certified mail from the post office. Accordingly, on April 29, 2019, PPL Electric re-sent PPL to Complainants Set I to the Complainants via overnight delivery. A true and correct copy of PPL to Complainants Set I is attached hereto and marked as **Appendix A**.

2. Pursuant to the Commission's regulations, objections to PPL to Complainants Set I were due on or before May 9, 2019, and responses were due on or before May 20, 2019.

3. The Complainants never served any objections or answers to PPL to Complainants Set I.

4. Pursuant to the Prehearing Order dated January 4, 2019, the Complainants were required to serve any statements, reports, and direct testimony of any expert witness they intend to call on or before April 30, 2019.

5. The Complainants have not served any statements, reports, and direct testimony of any expert witness on PPL Electric to date.

6. The Company served its direct testimony and exhibits in this case on May 31, 2019, as required by the Prehearing Order. This mailing also was returned to the Company due to the Complainants' failure to pick up the certified mail from the post office. As a result, PPL Electric engaged a process server, who, after multiple attempts, completed personal service of the Company's testimony and exhibits on June 24, 2019.

7. On July 15, 2019, counsel for PPL Electric left a detailed voicemail for the Complainants about the overdue discovery responses.

8. On July 16, 2019, counsel for PPL Electric called the Complainants again about the overdue discovery responses. Mr. Smith indicated that he had not prepared responses to the discovery requests to date. Counsel for PPL Electric advised Mr. Smith that the Company would file a Motion to Compel on July 16, 2019, but could withdraw that Motion if the Complainants provided full and complete responses.

9. As of the filing of this Motion, no formal, complete responses to PPL to Complainants Set I have been received.

II. MOTION TO COMPEL

10. PPL Electric respectfully requests that the Administrative Law Judge Elizabeth H. Barnes (the “ALJ”) direct the Complainants to answer fully all of the interrogatories set forth in PPL to Complainants Set I.

11. Under 52 Pa. Code § 5.321(c), a party is entitled to obtain discovery of any matter not privileged that is relevant to the pending proceeding, or any matter that is reasonably calculated to lead to the discovery of admissible evidence. Discovery is permitted regardless of whether the information sought “relates to the claim or defense of the party seeking discovery or to the claim or defense of another party.” *Id.*

12. Answers to interrogatories are due within 20 days of the service date. 52 Pa. Code § 5.342(d).

13. Here, PPL Electric re-served its first set of interrogatories via overnight delivery on April 29, 2019. Consequently, answers to PPL to Complainants Set I were due on or before May 20, 2019. Therefore, the responses are now well past due.

14. Further, the Complainants never objected to any of the questions in PPL to Complainants Set I.

15. In addition, the interrogatories propounded by PPL Electric are highly relevant to the issues to be decided in this case, including the Complainants’ claim that the new automated meter infrastructure (“AMI”) meter will cause, contribute to, or exacerbate adverse health effects.

16. Indeed, in their Complaint, the Complainants aver that the new AMI meter will cause, contribute to, or exacerbate adverse health effects. (Complaint ¶ 4.)

17. However, they never have provided medical records for any alleged conditions that they currently have that would be allegedly impacted by the new AMI meter.

18. Therefore, requesting the Complainants' medical records is highly relevant to the issues in this case.

19. Moreover, in its interrogatories, PPL Electric requests information about the Complainants' cell phone usage as well as information about any devices that emit radio frequency ("RF") fields that are contained in or used in the Complainants' house.

20. As the testimony of PPL Electric's expert witness on RF exposures – Dr. Christopher Davis – will demonstrate, however, the RF exposures received from use of a cell phone (or even standing within 30 feet of another person using a cell phone) and other devices are far higher than from an AMI meter.

21. Moreover, the evidentiary hearing is scheduled for July 19, 2019, and all exhibits and testimony were required to be sent to the ALJ no later than July 10, 2019.

22. Therefore, PPL Electric is filing this Motion to Compel to try to receive answers to the discovery in sufficient time before the evidentiary hearing.

23. In addition, on May 31, 2019, PPL Electric served the statements, reports, written testimony, and exhibits it intends to present at the hearing.

24. PPL Electric reserves the right to supplement or revise any of its exhibits, reports, and statements, to the extent that the Complainants serve any of these discovery responses.

25. For these reasons, PPL Electric respectfully requests that the ALJ grant its Motion to Compel Responses to Discovery.

III. NOTICE OF INTENT TO SEEK SANCTIONS

26. Upon the motion of a party, the presiding officer may make an appropriate order for sanctions if a party fails to answer or otherwise respond to a discovery request or refuses to obey an order of the presiding officer respecting discovery. *See* 52 Pa. Code § 5.371(a).

27. In ruling upon a motion for sanctions, the presiding officer may, among other things, issue: (1) “[a]n order that the matters regarding which the questions were asked, the character or description of the thing or land, the contents of the paper, or other designated fact shall be taken to be established for the purposes of the action in accordance with the claim of the party obtaining the order”; (2) [a]n order refusing to allow the disobedient party to support or oppose designated claims or defenses, or prohibiting the party from introducing in evidence designated documents, things or testimony”; and (3) “[a]n order striking out pleadings or parts thereof, staying further proceedings until the order is obeyed, or entering a judgment against the disobedient party or individual advising the disobedience.” *Id.* § 5.372(a)(1)-(3).

28. Therefore, to the extent that this Motion is granted and the Complainants fail to answer fully PPL to Complainants Set I, or otherwise comply with the ALJ’s order, PPL Electric intends to file an appropriate Motion for Sanctions pursuant to 52 Pa. Code §§ 5.371(a) and 5.372(a).

IV. CONCLUSION

For the reasons set forth above, PPL Electric Utilities Corporation respectfully requests that Administrative Law Judge Elizabeth H. Barnes grant this Motion to Compel Responses to Discovery and direct Rose Mary and Geoffrey Alan Smith to answer fully PPL to Complainants Set I, as described above within three (3) days from the date of the order.

Pursuant to 66 Pa.C.S. § 333 and 52 Pa. Code §§ 5.341 *et seq.*, PPL Electric Utilities Corporation (“PPL Electric”) propounds the following Interrogatories and Requests for Production of Documents (hereinafter, “discovery requests”) on Rose Mary & Geoffrey Alan Smith (“Complainant”) – Set I.

INSTRUCTIONS AND DEFINITIONS

1. The “Responding Party,” “you,” or “your” means the party to which these discovery requests are propounded and/or all attorneys, agents, affiliates, subsidiaries, employees, consultants, members, constituents, and representatives acting on behalf of the Responding Party.
2. “Commission” means the Pennsylvania Public Utility Commission.
3. To “identify” a natural person means to state that person’s full name, title or position, employer, last known address, and last known telephone number.

4. To "identify" a business entity means to state the full name of such business, the form of the business, and its location or address.

5. To "identify" a "document" means to provide all of the following information irrespective of whether the document is deemed privileged or subject to any claim of privilege:

- a. The title or other means of identification of each such document;
- b. The date of each such document;
- c. The author, preparer or signer of each such document; and
- d. A description of the subject matter of such document sufficient to permit an understanding of its contents and importance to the testimony or position being examined and the present or last known location of the document. The specific nature of the document should also be stated (*e.g.*, letter, business record, memorandum, computer print-out, etc.).

In lieu of "identifying" any document, it shall be deemed a sufficient compliance with these discovery requests to attach a copy of each such document to the answers hereto and reference said document in the particular interrogatory to which the document is responsive.

6. "Document" means the original and all drafts of all written and graphic matter, however produced or reproduced, of any kind or description, whether or not sent or received, and all copies thereof which are different in any way from the original (whether by interlineation, date-stamp, notarization, indication of copies sent or received, or otherwise), including without limitation, any paper, book, account, photograph, blueprint, drawing, sketch, schematic, agreement, contract, memorandum, press release, circular, advertising material, correspondence, letter, telegram, telex, object, report, opinion, investigation, record, transcript, hearing, meeting, study, notation, working paper, summary, intra-office communication, diary, chart, minutes, index sheet, computer software, computer-generated records or files, however stored, check, check stub, delivery ticket, bill of lading, invoice, record or recording or summary of any telephone or other conversation, or of any interview or of any conference, or

any other written, recorded, transcribed, punched, taped, filmed, or graphic matter of which the Responding Party has or has had possession, custody or control, or of which the Responding Party has knowledge.

7. "Communication" means any manner or form of information or message transmission, however produced or reproduced, whether as a document as herein defined, or orally or otherwise, which is made, distributed, or circulated between or among persons, or data storage or processing units.

8. "Date" means the exact day, month, and year, if ascertainable, or if not, the best approximation thereof.

9. Items referred to in the singular include those in the plural, and items referred to in the plural include those in the singular.

10. Items referred to in the masculine include those in the feminine, and items referred to in the feminine include those in the masculine.

11. The answers provided to these discovery requests should first restate the question asked and identify the person(s) supplying the information.

12. In answering these discovery requests, the Responding Party is requested to furnish all information that is available to the Responding Party, including information in the possession of the Responding Party's attorneys, agents, consultants, or investigators, and not merely such information of the Responding Party's own knowledge. If any of the discovery requests cannot be answered in full after exercising due diligence to secure the requested information, please so state and answer to the extent possible, specifying the Responding Party's inability to answer the remainder, and stating whatever information the Responding

Party has concerning the unanswered portions. If the Responding Party's answer is qualified in any particular, please set forth the details of such qualification.

13. If the Responding Party objects to providing any document requested on any ground, identify such document by describing it as set forth in Instruction 5 and state the basis of the objection.

14. If the Responding Party objects to part of a discovery request and refuses to answer that part, state the Responding Party's objection and answer the remaining portion of that discovery request. If the Responding Party objects to the scope or time period of a discovery request and refuses to answer for that scope or time period, state the Responding Party's objection and answer the discovery request for the scope or time period that the Responding Party believes is appropriate.

15. If, in connection with a discovery request, the Responding Party contends that any information, otherwise subject to discovery, is covered by either the attorney-client privilege, the so-called "attorneys' work product doctrine," or any other privilege or doctrine, then specify the general subject matter of the information and the basis to support each such objection.

16. If any information is withheld on grounds of privilege or other protection from disclosure, provide the following information: (a) every person to whom such information has been communicated and from whom such information was learned; (b) the nature and subject matter of the information; and (c) the basis on which the privilege or other protection from disclosure is claimed.

17. As set forth in 52 Pa. Code § 5.342(g), these discovery requests are continuing, and the Responding Party is obliged to change, supplement, and correct all answers given to conform to new or changing information.

Your Honor:

The telephonic evidentiary hearing in this matter is scheduled for July 19, 2019, at 10:00 AM. PPL Electric Utilities Corporation ("PPL Electric") proposes that a conference bridge line be used so that Your Honor does not have to call the parties individually. To that end, PPL Electric proposes that the following conference bridge line be used for the hearing on July 19, 2019:

Phone Number: 717-233-6150
