REAL PROPERTY EASEMENT AGREEMENT

THIS REAL PROPERTY EASEMENT AGREEMENT (this "Agreement") is made and effective this 14th day of JUNE, 2019 (the "Effective Date") by and between DUQUESNE LIGHT COMPANY, doing business at 411 Seventh Avenue, Pittsburgh, PA 15219 ("Grantor") and CRESWELL HEIGHTS JOINT AUTHORITY, a Municipal Authority, doing business at 3961 Jordan Street, South Heights, PA 15081 ("Grantee"). Capitalized terms not otherwise defined herein will have the meanings ascribed to them in Section 13.

In consideration for the sum of One (\$1.00) Dollar and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. **Grant of Easement.** In lieu of condemnation, Grantor hereby grants and conveys to Grantee a permanent easement and right of way on, in and/or under that certain parcel of real property being designated by the Allegheny County taxing authority as Block and Lot No. 0703-A-00395-0000-01, and located on/at State Route 0051, McGovern Boulevard in Crescent Township, Allegheny County, Pennsylvania (the "Property"). The easements and rights-of-way contained herein will be perpetual and will be appurtenant to and will run with the land.

2. **Term.** This Agreement and all rights granted herein will commence on the Effective Date and terminate automatically, and any and all rights granted to Grantee hereunder will automatically revert to Grantor, upon the earlier to occur of the following events: (i) on the date this Agreement is terminated by Grantor due to a Default by Grantee; (ii) if any creditor or lender of Grantee exercises any rights against the Property or the Easement Area; (iii) upon notice of surrender as provided in Section 6.E below (the "Term"). Upon Grantor's request, Grantee will execute any instruments reasonably requested by Grantor terminating this Agreement, transferring the Easement Area to Grantor or its designee, or waiving or releasing any rights of Grantee herein consistent with the foregoing. All obligations of Grantee in this section will survive the expiration or termination of this Agreement.

3. **Easement Area.** The grant of easement in Section 1 hereof will be limited to the Thirteen Thousand Five Hundred Twelve (13,512) square foot area depicted in Exhibit A, and more particularly described in Exhibit B, attached hereto and made a part hereof. Grantor does not warrant title to the Property and this grant is made under, subject and subordinate to any and all encumbrances, easements, licenses, rights-of-way, servitudes, permits, encroachments, strips, roadways, estates, covenants, conditions, exceptions, reservations, restrictions, disputes, prior grants apparent with a physical inspection of the Property, implied by law or shown or referred to by grants or instruments, whether recorded or unrecorded. **By entering into this Agreement, Grantee acknowledges that it has inspected and accepted the Property and Easement Area "AS IS" with no representation or warranty by Grantor of any kind whatsoever, express or implied, including but not limited to the suitability of the Easement Area or the Property for the Permitted Purpose.**

4. **Permitted Purpose and Improvements.**

A. **Permitted Purpose.** Grantee may use the Easement Area solely for: the purposes of constructing, maintaining, removing, repairing, replacing, and or servicing a water main line and its appurtenances, and the right of ingress and egress for such purposes (the "Permitted Purpose").

B. **Improvements.** Subject to Section 61.H below, Grantee may install, build or construct the following improvements to the Property: a water main line and appurtenances thereto (the "Improvements"). Grantee will, at Grantee's sole expense, deliver to Grantor an as-built drawing or survey depicting the location and construction of the Improvements promptly upon completion of construction of or material modifications to the Improvements.

5. **Grantee Warrantees.** Grantee represents and warrant that:

A. All materials, including by way of example, any fill or building materials, added to the Property by Grantee or the Grantee Parties are in full compliance with Applicable Law.

B. Grantee will not undertake, permit or omit to take any action which results in a lien or encumbrance being imposed on the Property and will cause any such liens or encumbrances to be immediately released of record at Grantee's sole expense. If requested by Grantor, Grantee will execute, or will secure Grantee Parties' execution of Grantor's Stipulation Against Liens Agreement and will file it in the appropriate governmental offices.

C. Grantee will pay all taxes and any tax increases assessed by any governmental authorities that are directly attributable to Grantee Operations.

6. **Grantee Obligations.**

A. **Control of Easement Area.** Grantee will institute rules concerning safety and hazard avoidance on the Easement Area and will provide a copy of the rules to Grantor. Grantee will be solely responsible for initiating, maintaining, implementing, controlling and supervising all health, safety and environmental precautions, rules and programs in connection with this Agreement, Grantee Parties and/or Grantee Operations, and all such precautions, rules and programs will meet or exceed the standard for the industry in which Grantee operates or involving the Permitted Purpose. Grantee will (and will cause Grantee Parties to) observe and comply with all of Grantee's precautions, rules, programs and directives, including, but not limited to, Grantee's safety policies and safe work practices consistent therewith. Grantee will supervise and direct all Grantee Operations, using its best skill and attention, and Grantee will be solely responsible for and have control over the means, methods, techniques, sequences and procedures of all Grantee Operations and Grantee Parties. Notwithstanding anything contained in this Agreement to the contrary, Grantor disclaims any right to control Grantee's manner of performance of Operations or any Grantee Party. Grantee and Grantee Parties are not now, and will not be construed to be, employees, contractors, partners, joint venturers, agents or representatives of Grantor.

B. **Security.** Grantee will be solely responsible for Grantee Parties' security, including the security of all Grantee Parties' property brought onto, located at or constructed in or upon the Property. Grantee will comply with and be responsible for Grantee Parties' compliance with any security protocols or procedures applicable to the Property or Grantor Operations of which Grantee is advised by Grantor.

C. **Compliance with Applicable Law.** Grantee will (and will require Grantee Parties to) comply with all Applicable Law which at any time now or in the future may apply to the Easement Area, the Permitted Purpose, Grantee Operations or the Improvements. The provisions of 41 CFR Section 60-1.4(a) and of 29 CFR Part 471, Appendix A to Subpart A, if applicable, are incorporated herein by reference. In addition, Grantee and Grantee Parties shall abide by the requirements of 41 CFR Section 60-300.5(a) and 41

CFR Section 60-741.5(a). These regulations, respectively, prohibit discrimination against qualified protected veterans and qualified individuals on the basis of disability, and require affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans and qualified individuals with disabilities.

D. Property Damages. Except as expressly permitted herein, Grantee will not damage, alter, change or modify the Property or any improvements, machinery, equipment, personal property, supplies, fences, timber or crops. Should Grantee fail to comply with the preceding sentence, Grantee will, at its sole cost and expense, promptly restore the same in all material respects to substantially the same condition as existed prior to such damage, destruction, alteration, change and/or modification. The obligations of Grantee in this section will survive the termination of this Agreement.

E. Surrender. In the event that Grantee intends to discontinue use of the Easement Area, this Agreement will terminate upon written notice of such intention to Grantor. Upon termination of this Agreement for any reason, Grantee will, at its sole cost and expense, restore the Easement Area and any other portion of the Property affected by Grantee Operations to its condition as of the Effective Date, reasonable wear and tear excepted. All obligations of Grantee in this section will survive the expiration or termination of this Agreement.

F. Reclamation. After completion of any construction in the Easement Area, or any subsequent work in the Easement Area related to maintenance, repair, replacement, operation, inspection, service or removal, Grantee will promptly commence and diligently pursue reclamation of all disturbed areas of the Property relating to Grantee Operations in accordance with Applicable Law and this Agreement and will re-grade and/or re-pave all then-existing roads as may have been damaged by the Grantee Operations as necessary to restore said roads to the condition as existed prior to the Grantee Operations. Promptly upon completion of said reclamation, Grantee Parties will remove all equipment and personal property placed upon the Property, other than such equipment and property necessary for continuing Grantee Operations. The obligations of Grantee in this section will survive the termination of this Agreement.

G. Insurance. Grantee agrees to keep and maintain at all times, and to cause Grantee Parties who enter the Property to keep and maintain while they are on the Property for any reason, insurance coverages and amounts reasonably acceptable to Grantor, including without limitation, the insurance requirements including the limits set forth on Exhibit C hereto. **Notwithstanding any other provision in this Agreement or in Exhibit C, Grantee will not have any right or privilege to enter (or permit any Grantee Party to enter) the Property for any reason until Grantee has provided Grantor with evidence of the insurance set forth on Exhibit C.** Grantor reserves the right to modify Exhibit C from time to time but no more frequently than five (5) years after the later of the Effective Date or the last amendment to Exhibit C.

H. Construction and Bonding. No fewer than sixty (60) days prior to commencing any construction of or modification to the Property, the Easement Area or any Improvements, Grantee will provide written notice to Grantor of such construction or modification, which notice will detail the nature, timing and scope of such construction or modification (the "Construction Plan"). Grantor reserves the right to request that Grantee submit a performance bond for any construction or modification work in the amount of one hundred percent (100%) of the value of such construction or modification. The performance bond

must be either in the form supplied by Grantor or in such other form as approved by Grantor. The performance bond must make reference to this Agreement and permit draws by Grantor when Grantor, in its reasonable discretion, determines that Grantee has not complied with the Construction Plan, or Grantee's or Grantee Parties' malfeasance, misfeasance, or breach of this Agreement. The purpose of the bond is to secure the adequate performance of the Construction Plan. The performance bond will not be transferable.

I. **Assignment.** Grantee agrees not to transfer, assign, sublet, pledge or encumber, in whole or in part, this Agreement, the ROW, the Power line or the rights granted herein without Grantor's prior written consent, which consent may be withheld, delayed or conditioned at Grantor's sole discretion. Any transfer in violation of the provision above will be void and of no force or effect.

J. **Prohibited Activities.** Grantee will not permit animals, alcohol, drugs, firearms, hunting or any unlawful activity of any kind on the Property. Grantee will not dump or dispose of any waste or refuse in, on or under any portion of the Property. Grantee will not permit any operation or activity to be conducted on the Property except as otherwise specifically permitted or otherwise required in this Agreement.

7. **Default.** If Grantee or any Grantee Party fails to (i) satisfy the insurance requirements set forth on **Exhibit C** as required by this Agreement or such insurance is cancelled, expires or is terminated in violation of this Agreement, or (ii) abide by or perform any term, covenant or condition of this Agreement (other than as described in (i)) within fifteen (15) days after written notice from Grantor (any such failure in (i) or (ii) is a **"Default"**), then Grantor will have the option to either (a) immediately terminate this Agreement, (b) cure any such Default and Grantee will promptly pay to Grantor all amounts expended or advanced by Grantor in connection therewith, and/or (c) exercise any rights or remedies that Grantor has at law or in equity related to such Default.

8. **Release.** Grantee hereby forever waives, releases and discharges all Grantor Parties from any and all Claims or any loss or damage to the Property, or any property of Grantee which may occur from any cause by or reason of (i) Grantee Operations, any Grantee Party, the condition of the Property, or use or operations by any Grantor Party. Grantee will (a) take any and all actions necessary to monitor, maintain, mitigate and protect the Grantee Operations, Grantee Parties and any property of Grantee Parties against loss or damage arising from operations of Grantor Parties; and (b) repair, replace and restore, at its sole cost and expense, any property of Grantee Parties necessary for the Permitted Purpose which was lost or damaged by operations of Grantor Parties.

9. **Assumption of Risk.** Grantee knowingly and voluntarily accepts and assumes all risks and hazards associated with the Property and Grantee Operations, including, but not limited to, possible injury, damage or loss of life, and any resulting Claims. Grantee hereby accepts all risk of damage to the Easement Area, Grantee Parties, or any property of Grantee from the condition of the Property.

10. **Indemnity.** Grantee, and its successors and assigns, agrees to indemnify, defend and hold harmless Grantor Parties from and against any and all Damages sustained by any Grantor Party, any Grantee Party, or any other person or entity arising out of: (i) any Grantee Operations and/or presence of Grantee Parties on the Property; (ii) any Grantee Party's Default under this Agreement; (iii) any act or omission of Grantee Parties, except to the extent that such Claims are caused by the gross negligence of

Grantor; (iv) any discharge, release, threatened release or presence of any hazardous substance in, on or under the Property caused or exacerbated by any Grantee Party, including, without limitation, all costs of removal and disposal of such hazardous substance; and/or (v) all other reclamation and remediation costs, and/or any restoration costs with respect to Grantee Operations. The rights set forth in this section will be in addition to any other rights Grantor may have under Applicable Law and will not be construed to negate or abridge or otherwise reduce any right of Grantor or obligation of Grantee which would otherwise exist. This indemnity will survive the expiration or termination of this Agreement.

11. **Reservation and Cooperation.** Grantor excepts from this Agreement and the Easement Area, and reserves unto Grantor and Grantor's successors and assigns, any rights not expressly granted herein, including but not limited to the right to install electrical transmission and distribution infrastructure on, under over or across the Property, the Easement Area or the Improvements, provided that such new installation by Grantor will not interfere with the Permitted Purpose. Grantee agrees to fully cooperate with and support Grantor's permitting and regulatory approval activities occurring on the Property, provided such activities do not interfere with the Permitted Purpose. To the extent such Grantor activities will not interfere with the Permitted Purpose, Grantee will not object to any permits, applications or other requests of Grantor to governmental authorities or appeal any approval, declaration, permit or order in favor of Grantor relating to the Property.
