**Re: Judith D. Hendin v. Metropolitan Edison Company
Docket No. C-2018-3003324**

Dear Secretary Chiavetta:

We represent Ms. Hendin in the above-referenced matter. Pursuant to the Interim Order Requiring Proposed Prehearing Conference and Hearing Dates dated May 23, 2019 (“Order”), we submit this second status update.¹ The parties met on-site to discuss potential meter relocation on June 14, 2019. Unfortunately, the visit did not appear to yield an agreeable solution.

Ms. Hendin prefers a telephonic hearing, as we understand that an in-person hearing in Scranton or other locations closer to Ms. Hendin and Drs. Kracht and Carpenter is not available. We would further request consideration that Dr. Kracht’s testimony be scheduled on a Thursday if at all possible.

Ms. Hendin’s teaching schedule requires her to be in Europe this fall. She will not be available on the dates identified in the Order in September, and October, including October 29-31. She and the two expert witnesses have availability beginning in December. Therefore, we respectfully request that Your Honor consider altering the proposed schedule by the approximately four to six weeks to accommodate Ms. Hendin’s teaching schedule.

¹ Copies of a nearly identical status update addressed to Administrative Law Judge were emailed and mailed on July 15, 2019. Our initial e-filing attempt, as well as the correction suggested by the Secretary’s Bureau, were rejected. We apologize for any delay in your receipt of this letter.

Lastly, we understand that Met-Ed identifies Ms. Hendin's status as both a Met-Ed customer and a tenant as a legal issue. We respectfully disagree; however, a prehearing conference as previously contemplated appears advisable. In discussions with opposing counsel, we've identified the following mutually agreeable dates for a prehearing conference: the afternoons of July 24th, 26th and 29th and anytime on July 30th.

Respectfully submitted,

Joanna A. Waldron, Esquire
