Dear Sec. Chiavetta

This letter shall serve as formal response to Metropolitan Edison Co. requesting dismissal of the above case docket #.

We have responded to all previous matters in a timely and formal state, with no reply as to the rights of the Constitution of the United States of America regarding the 5th and 14th Amendment, and also the adoption of laws by the United States General Assy. to protect the citizens and people worldwide.

We hereby request no dismissal be granted, and rely on the judicial system to enforce these laws as many other countries and states have. Also by keeping this docket on record will aide the Penn. State Legislature in arriving at a fair decision for the people of its Commonwealth.

Respectfully Yours,
