

**BEFORE THE
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

IN RE: Limo Today, Inc. : Docket No. A-00124027

PETITION FOR REINSTATEMENT

Petitioner, Limo Today Inc., by and through their attorney, David P. Temple, Esquire, hereby respectfully requests that their certificate of public convenience under the above-docket number be reinstated for the following reasons:

1. Petitioner is Limo Today Inc. with principal place of business located at 3600 Street Road, Bensalem, Pennsylvania.
2. On September 10, 2008 Petitioner was issued a certificate to operate as a limousine provider within the Commonwealth of Pennsylvania under Docket No A-00124027
3. For many years the petitioner operated as a common carrier under the regulation of the Pennsylvania Public Utility with little to no problems
4. On or about February 28, 2019 the Commission issued a tentative order cancelling the authority of a list of carriers, including the petitioner for failure to pay and/or file their 2017 assessment. A true and correct copy of that order is attached hereto as Exhibit A

5. The order required that all carriers, including the Petitioner, be served this tentative order.
6. It further ordered that the tentative order be published in the Pennsylvania Bulletin
7. While the order appears to have been published in the Pennsylvania Bulletin on or about March 16, 2019, to the best of their knowledge it was never served upon the Petitioner.
8. The tentative order provided a procedure for the carriers, including the Petitioner, to maintain their PUC authority
9. Since the Petitioner was unaware of these remediating procedures they were unable to correct their error
10. The final order was published in the Pennsylvania Bulletin on June 29, 2019 which was also ordered served upon the carriers in the exhibits but as of the date of this filing the petitioner has yet to be served with this order. A true and correct copy of the final order is attached hereto as Exhibit B
11. It is only because the attorney for the Petitioner was looking at this list for another certified carrier did he notify the Petitioner their inclusion on this list of violators.
12. While the Petitioner still asserts they were never served with either order it is of note the Petitioner had a manager who was not handling the day to day responsibilities properly.

13. This included issues with the regulatory authorities of the Pennsylvania Public Utility Commission and Philadelphia Parking Authority although the petitioner did not have authority to accept certified mail
14. The problem with the manager was discovered at the same time the discovery of the cancellation of Petitioners authorities.
15. As a result of his dereliction to his duties to the company, the manager was terminated by the Petitioner.
16. The Petitioner is now taking steps to ensure they are responsive to regulatory matters as well as other operational duties.
17. As such the sole shareholder has taken responsibility for all contact with the regulatory bodies of the PUC and PPA.
18. Upon discovery of the issue, the Petitioner immediately approved the filing of a reinstatement request and began steps to correct the outstanding issues with the Commission.
19. This included contacting the financial division to determine what they need for filing and payment of the outstanding assessment
20. With the assistance of finance petitioner will file and pay all outstanding assessments
21. The Petitioner has held this certificate of authority for approximately eleven (11) years and has an excellent record of compliance with the rules and regulations of the Commission.
22. With the satisfaction of the necessary assessment the Commission has no outstanding fines or violations with the Commission.

23. The Petitioner has acted promptly in filing his petition for reinstatement.
24. As further stated herein the Petitioner has presented a valid rationale for the violation.
25. In an attempt to prevent a reoccurrence of this problem the Petitioner has terminated the services of their manager and the sole shareholder has taken over as the regulatory liaison.
26. The shareholder has already contacted the PUC and shall file and satisfy the outstanding assessments due to the Commission
- Petitioner asserts that reinstatement will benefit the public interest.

WHEREFORE, Petitioner Limo Today, Inc., by and through their attorney respectfully request reinstatement of his certificate of public convenience.

Respectfully,

David P. Temple, Esquire
Attorney for Petitioner
Limo Today, Inc.

VERIFICATION

I David Temple, Attorney for Petitioner Limo today Inc verifies that he is acquainted with the facts and information set forth in the foregoing pleadings are true and correct to my knowledge, information and belief. I expect to be able to prove the same at any hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. Section 4904 relating to unsworn falsification to authorities.

Cancellation of Certificates of Public Convenience for
Common Carriers; Failure to Operate or Report Any
Operating Revenue

M-2019-3007610

TENTATIVE ORDER

BY THE COMMISSION:

The Public Utility Code requires that by March 31 of each year, every public utility must file a report detailing its gross intrastate operating revenue for the preceding calendar year. 66 Pa. C.S. § 510(b). This report is essential for the Commission to fund its operations and to properly allocate assessment costs among the regulated utility community. *Id.* Additionally, common carriers are required to operate continuously and without unreasonable interruptions of service. 66 Pa. C.S. § 1501, 52 Pa. Code §§ 29.61-62. Commission regulations authorize the cancellation of a common carrier's Certificate of Public Convenience (CPC) for failure to comply with operating and reporting requirements, as well as other provisions of the Public Utility Code. 52 Pa. Code §§ 29.12 (Motor Carriers of Passengers) and 31.12 (Motor Carriers of Property).

The Commission has undertaken a review of its records to determine whether various utilities are in compliance with its operating and reporting requirements. That

review has revealed that a significant number of common carriers have repeatedly failed to file the required annual assessment report and failed to establish that they are operating continuously as required. Specifically, each carrier listed in Appendix A, attached hereto, has failed to report any operating revenue to the Commission for each of the last multiple years and has consequently failed to establish any operations for that same period of time.

The Commission's Bureau of Administration sent a final warning letter to each carrier listed in Appendix A, requesting that they either file an assessment report detailing their annual revenue or notify the Commission of their desire to abandon their CPCs. Carriers were provided twenty (20) days to comply. The letter further warned the carriers that failure to comply would result in the Commission taking appropriate action to cancel their CPCs. None of the carriers listed in Appendix A responded to the warning letter.

Under the circumstances, we tentatively conclude that the motor carriers listed in Appendix A are not in compliance with the reporting requirements of 66 Pa. C.S. § 510(b) nor are they in compliance with the operational requirements of 66 Pa. C.S. § 1501, 52 Pa. Code §§ 29.61-62. As such, it is appropriate to initiate the process for cancelling their CPCs as being in the public interest; **THEREFORE,**

IT IS ORDERED:

1. That cancellation of the Certificates of Public Convenience of each motor carrier listed in Appendix A is hereby *tentatively* approved as being in the public interest.

2. That the Secretary serve a copy of this Tentative Order upon the Bureau of Investigation & Enforcement, the Bureau of Technical Utility Services, the Bureau of Administration, Department of Revenue – Bureau of Corporation Taxes, Department of Transportation, and all motor carriers listed in Appendix A. The Tentative Order shall be filed at each carrier's docket number.

3. That the Law Bureau shall publish a copy of this Tentative Order in the *Pennsylvania Bulletin*.

4. That all parties listed in Ordering Paragraph No. 2, to the extent they challenge cancellation of the CPC, must file comments within 20 days after publication in the *Pennsylvania Bulletin*. Comments shall be sent to the Pennsylvania Public Utility Commission, Attn: Secretary Rosemary Chiavetta, Commonwealth Keystone Building, 400 North Street, 2nd Floor, Harrisburg, PA 17120.

5. Alternatively, carriers listed in Appendix A may file an Assessment Report for calendar year 2017 gross intrastate operating revenues, within 20 days after publication in the *Pennsylvania Bulletin*. Reports shall be sent to the Pennsylvania Public Utility Commission, Attn: Secretary Rosemary Chiavetta, Commonwealth Keystone Building, 400 North Street, 2nd Floor, Harrisburg, PA 17120.

6. That absent the timely filing of comments challenging cancellation of the CPC, or the timely reporting of a carrier's 2017 gross intrastate operating revenue, the Law Bureau shall prepare a Final Order for entry by the Secretary cancelling the carrier's CPC.

7. That upon entry of the Final Order described in Ordering Paragraph No. 6 above, the Certificate of Public Convenience of each non-compliant carrier shall be

cancelled, and each non-compliant carrier listed in Appendix A will be stricken from all active utility lists maintained by the Commission's Bureau of Technical Utility Services and the Fiscal & Assessments Section of the Bureau of Administration.

BY THE COMMISSION,

Rosemary Chiavetta
Secretary

PENNSYLVANIA PUBLIC UTILITY COMMISSION

Cancellation of Certificates of Public Convenience for Common Carriers; Failure to Operate or Report Any Operating Revenue

[49 Pa.B. 3445]

[Saturday, June 29, 2019]

Public Meeting held
June 13, 2019

Commissioners Present: Gladys Brown Dutrieuille, Chairperson; David W. Sweet, Vice Chairperson; Norman J. Kennard; Andrew G. Place; John F. Coleman, Jr.

Cancellation of Certificates of Public Convenience for Common Carriers; Failure to Operate or Report Any Operating Revenue; M-2019-3007610

Final Order

By the Commission:

On February 28, 2019, the Commission entered a Tentative Order in the above-captioned proceeding to initiate the process for cancelling the Certificates of Public Convenience (CPC) of common carriers that failed to file required annual assessment reports and/or failed to establish that they have operated continuously. The Tentative Order was mailed to each carrier and was published in the *Pennsylvania Bulletin* on March 16, 2019, 49 Pa.B. 1253. Carriers were given 20 days from publication to challenge the cancellation of their CPCs, file a conforming Assessment Report, or, alternatively, request cancellation of their CPCs.

The carriers that were served with the February 28 Tentative Order were those carriers that failed to respond to the Commission's earlier Secretarial Letter, requesting that they either file an assessment report detailing their intrastate operating revenues, as required by Section 510 of the Public Utility Code, 66 Pa.C.S. § 510, or notify the Commission of their desire to abandon their CPCs. Moreover, the Secretarial Letter warned the carriers that failure to comply would result in the Commission taking appropriate action to cancel their CPCs.

By way of background, the Public Utility Code requires that by March 31 of each year, every public utility must file a report detailing its gross intrastate operating revenue for the preceding calendar year. 66 Pa.C.S. § 510(b). This report is essential for the Commission to fund its operations and to properly allocate assessment costs among the regulated utility community. *Id.* In addition, common carriers are required to operate continuously and without unreasonable interruptions of service. 66 Pa.C.S. § 1501, 52 Pa. Code §§ 29.61-62. A carrier with no intrastate

operating revenues for several years indicates that it is no longer providing jurisdictional public utility service in Pennsylvania and, therefore, a CPC for that entity is no longer "necessary or proper for the service, accommodation, convenience, or safety of the public." 66 Pa.C.S. § 1103(a). In addition, Commission regulations authorize the cancellation of a common carrier's CPC for failure to comply with operating and reporting requirements, as well as other provisions of the Public Utility Code. 52 Pa. Code §§ 29.12 (Motor Carriers of Passengers) and 31.12 (Motor Carriers of Property).

In response to the February 28 Tentative Order, the common carriers listed in Table 1 filed a conforming Assessment Report with the Commission reporting their gross intrastate operating revenue for 2017; the common carriers listed in Table 2 responded to the tentative order by filing an Assessment Report for 2017 but reported zero gross intrastate operating revenue; the common carriers listed in Table 3 requested cancellation of their CPCs; and the common carriers listed in Table 4 did not respond to the Tentative Order in any way.

The carriers listed in Table 1 are in compliance with the reporting requirements of 66 Pa.C.S. § 510(b) and the operational requirements of 66 Pa.C.S. § 1501 and 52 Pa. Code §§ 29.61-62. Therefore, this matter is closed with respect to these carriers.

Finally, the carriers listed in Tables 2, 3 and 4 have either responded to the Tentative Order by reporting zero intrastate operating revenue for 2017, requested cancellation of their CPCs, or have failed to respond to the Tentative Order, remaining in non-compliance. Moreover, each of these carriers have failed to report any intrastate operating revenues for several years. A carrier with no intrastate operating revenues for several years indicates that it is no longer providing jurisdictional public utility service in Pennsylvania and, therefore, a CPC for that entity is no longer "necessary or proper for the service, accommodation, convenience, or safety of the public." 66 Pa.C.S. § 1103(a). Each of these carriers have had ample notice and an opportunity to be heard via the Secretarial Letter and the February 28, 2019 Tentative Order. The carriers in Table 2 responded to the Tentative Order by reporting zero intrastate operating revenue for several years. The carriers listed in Table 3 requested that their CPCs be cancelled. None of the carriers listed in Table 4 responded. The CPCs of these three groups will be cancelled; *Therefore,*

It Is Ordered That:

1. This matter is closed for motor carriers listed in Table 1.
2. The Certificate of Public Convenience for each motor carrier listed in Tables 2, 3, and 4 is cancelled for reasons cited herein. These carriers shall be stricken from all active utility lists maintained by the Commission's Bureau of Technical Utility Services and the Fiscal & Assessments Section of the Bureau of Administration.
3. The Secretary serve a copy of this Final Order upon the Bureau of Investigation & Enforcement, the Bureau of Technical Utility Services, the Bureau of Administration, Department of Revenue—Bureau of Corporation Taxes, Department of Transportation, and all motor carriers listed in Tables 1—4. The Final Order shall be filed at each carrier's docket number.
4. The Secretary shall publish a copy of this Final Order in the *Pennsylvania Bulletin*.

ROSEMARY CHIAVETTA,
Secretary
