Blain Transportation is a small one man operation, as of January 1, 2019 we weren't sure if we were going to continue operations. We did however continue to maintain insurance coverage until the registration for our only truck expired on February 28, 2019. Our insurance policy expired on June 4, 2019 there for we did maintain insurance coverage well after we discontinued operations. Being as late in the year as it is we are not going to register the truck for this year. However our plan at this point is to resume operations next year. So I don't know what we need to do to temporarily put our PUC number out of service or if we can even do that. If you can be of assistance in this matter please call me at (717)226-9838) or email me at [randynblain@gmail.com](mailto:randynblain@gmail.com) thank you I look forward to solving this problem.

**Sincerely  
Randy Blain
