Docket No. C-2019-3009140

**MOTION OF METROPOLITAN EDISON COMPANY TO DISMISS COMPLAINT OF
JOHN GRIMA FOR FAILURE TO COMPLY WITH ORDERS**

TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:

Metropolitan Edison Company (“Met-Ed” or the “Company”) by and through its attorneys, Lauren M. Lepkoski and Tori L. Giesler, and pursuant to 52 Pa. Code §§ 5.245, 5.371-5.372, hereby files this Motion to Dismiss the complaint of John Grima (“Complainant”) for his failure to comply with Administrative Law Judge (“ALJ”) Emily I. DeVoe’s Orders, or respond to discovery propounded by Met-Ed. In support thereof, the Company avers as follows:

I. BACKGROUND

1. On April 12, 2019, the Complainant filed a Formal Complaint with the Pennsylvania Public Utility Commission (“Commission”) regarding 228 Ramblewood Drive, Saylorsburg, Pennsylvania 18353 (“Service Location”) which was electronically served on the Company that same day.

2. On May 2, 2019, the Company filed its Answer and New Matter denying the material allegations. On the same day, the Company also filed Preliminary Objections to the Formal Complaint.

3. On May 15, 2019, the Complainant filed a letter which was docketed as a reply to answer.

4. On May 23, 2019, an Initial Call-In Telephonic Prehearing Conference Notice was issued which scheduled a prehearing conference for July 18, 2019.

5. On June 5, 2019, ALJ DeVoe issued an Interim Order which denied the Company's Preliminary Objections.

6. Also on June 5, 2019, an Interim Order Establishing Initial Litigation Schedule was issued which set forth the schedule for discovery, the identification of witnesses, and filing of motions in this proceeding. Relevant to this Motion, ALJ DeVoe issued a deadline for notification of witnesses of July 17, 2019 and a discovery deadline of September 11, 2019.

7. Further, on June 5, 2019, ALJ DeVoe issued an Interim Order Scheduling Prehearing Conference ordering the parties to fully participate in the prehearing conference and be fully prepared for the prehearing conference, consistent with the terms set forth in the Interim Order. Specifically, Page 1 of the Interim Order Scheduling Prehearing Conference states:

Only I have the authority to cancel the prehearing conference. The parties **must** appear for and participate in the prehearing conference, unless I issue a written order cancelling the conference. Requests to reschedule the conference must be made in writing, and must be received in my office no later than five calendar days prior to the hearing.

Complainant's failure to attend and fully participate in the prehearing conference will result in the Complaint being dismissed with prejudice, meaning you will lose your case and you will not be allowed to refile your Complaint in the future. [Emphasis in original.]

8. On June 17, 2019, in accordance with 52 Pa. Code § 5.341, the Company issued to the Complainant interrogatories and document requests ("Discovery Requests") via first class mail. In its Discovery Requests, the Company sought information and documents related to the Complainant's allegations regarding the Company's smart meters. Responses to the Discovery

Requests were due on or before July 8, 2019. A full copy of the Company's Discovery Requests is attached as Exhibit A.

9. On July 17, 2019, in accordance with the Interim Order Establishing a Litigation Schedule, the Company provided notice and summaries of testimony for its factual and expert witnesses.

10. On July 18, 2019, the prehearing conference was convened as scheduled. Counsel for the Company participated in the conference. Complainant did not participate. The legal assistant for ALJ DeVoe called the telephone number listed for Complainant on the Formal Complaint and spoke with the Complainant's father who advised that the Complainant would not be joining the prehearing conference. The Prehearing Conference was reconvened at approximately 10:10 a.m. and proceeded until concluded. Complainant did not participate in the conference. Counsel for the Company moved to dismiss the Formal Complaint with prejudice for failure of Complainant to participate at the prehearing conference. ALJ DeVoe requested that the Company's motion be reduced to writing.

11. The Company is not aware of communication from the Complainant regarding his absence at the Prehearing Conference and at no point did the Complainant contact the Company regarding the Formal Complaint.

12. In addition, at no point did the Complainant contact the Company to discuss the Discovery Requests or to seek an extension of time to respond to the Discovery Requests. The Complainant offered no objections or responses to the Discovery Requests.

13. To date, the Complainant has ignored ALJ DeVoe's Interim Order Establishing Litigation Schedule issued on June 5, 2019, requiring the exchange expert and factual witness

information by July 17, 2019, as no witness information has been received from the Complainant as of the filing of this Motion.

14. The Company now files this Motion to dismiss the Formal Complaint of the Complainant due to his failure to abide by the Interim Orders of ALJ DeVoe, for his failure to appear at the Initial Telephonic Prehearing Conference and prosecute the Formal Complaint, failure to exchange expert and factual witness information, and for his failure to even acknowledge receipt of the Company's Discovery Requests.

II. MOTION TO DISMISS

15. The Commission's regulations permit the discovery of "any matter, not privileged, which is relevant to the subject matter involved in the pending action." 52 Pa. Code § 5.321(c).

16. Generally speaking, this Commission applies a standard of relevance which is less restrictive than that required by parties to present information into the evidentiary record. It is not grounds for objection that the information sought will be inadmissible at hearing if the information sought appears reasonably calculated to lead to the discovery of admissible evidence. 52 Pa. Code § 5.321(c).

17. Discovery may be obtained regarding any matter relevant to the subject matter. Relevant evidence is evidence that tends to make an act at issue more or less probable. Moreover, evidence is relevant if it advances the inquiry in some degree and, thus, has probative value. Although the law does not furnish an absolute test of relevancy, the Pennsylvania Supreme Court follows a two-part analysis for determining relevance. In *Commonwealth v. Stewart*, 461 Pa. 274, 336 A.2d 282 (1975), the Court held that "[i]t must be determined first if the inference sought to be raised by the evidence bears upon a matter at issue in this case and, second, whether the evidence renders the desired inference more probable than it would be without the evidence. *Id.* at 284.

18. The information sought here by the Company is relatively simple and straightforward. It is directly relevant and material to the issues raised by the Complainant. The Company is entitled to the requested information to enable it to fully investigate and defend against the Complainant's allegations.

19. The Commission's regulations at 52 Pa. Code § 5.371 address the consequences of a participant's failure to comply with the Commission's discovery regulations and provides that the Commission or the presiding officer may, on motion, make an appropriate order if a party fails to appear, answer, file sufficient answers, file objections, make a designation or otherwise respond to discovery requests.

20. Further, 52 Pa. Code § 5.372 provides that the presiding officer may impose appropriate sanctions upon a party found to be found in violation of the obligations set forth in the Commission's regulations.

21. The Initial Call-In Telephonic Prehearing Conference Notice issued on June 5, 2019, specifically stated: "[a]t the above date and time, you must call into the hearing. If you fail to do so, your case will be dismissed. You will not be called by the Administrative Law Judge."

22. The Interim Order Scheduling Initial Telephonic Prehearing Conference issued on December 26, 2018, specifically ordered: "[y]ou must call into the hearing on the scheduled day and time. If you fail to do so, your case will be dismissed. You will not be called by the Administrative Law Judge."

23. Despite the warnings that the Complainant would not be called by the ALJ, attempts were made by the ALJ's office to reach the Complainant during the prehearing conference.

24. The Complainant has failed to provide any responses to the Company's Discovery Requests, failed to provide notification of any potential witnesses in contradiction to the Interim

Order issued by ALJ DeVoe, and failed to appear at Initial Telephonic Prehearing Conference as directed by the Initial Call-In Prehearing Telephonic Hearing Notice and the Interim Order Scheduling Initial Telephonic Prehearing Conference.

25. The Complainant's actions demonstrate a consistent lack of cooperation and willingness to participate in this proceeding as required under the Commission's regulations. As a result, the Formal Complaint in this proceeding should be dismissed in its entirety.

WHEREFORE, Metropolitan Edison Company respectfully requests that the Commission dismiss, with prejudice, the Complaint of John Grima.

Respectfully submitted,

Grima shall retain the right to question or challenge the admissibility of Confidential Information; to refuse to produce or object to the production of Confidential Information on any proper ground; and to seek additional measures of protection of Confidential Information beyond those provided in this Stipulated Protective Agreement.

12. That within thirty (30) days after a Commission decision is entered in the Proceedings, or in the event of appeals, within thirty (30) days after appeals are finally decided, Met-Ed and Met-Ed's experts, upon request, shall either destroy or return to Grima all copies of all documents and other materials not entered into the record, including notes, electronic or e-mailed files, which contain any Confidential Information. In the event that Met-Ed elects to destroy all copies of documents and other materials containing Confidential Information instead of returning the copies of documents and other materials containing Confidential information to Grima, Met-Ed shall immediately certify in writing to Grima that all the Confidential Information has been destroyed.
