Re: Rafael Rodriguez III and Kimberly S. Rodriguez v. PPL Electric Utilities Corporation

Docket No. C-2018-3006412

To Whom it may concern,

Please accept this letter as our formal request to withdraw our complaint in the above referenced proceeding. Our belief that a smart meter installed on our home may affect us negatively in regards to our health, safety, and privacy, has not changed. However, the people that were assisting us in preparing for our hearing are not able to continue to assist us do to health issues, and we feel that we are not properly prepared for the hearing. We have considered requesting and extension, but feel that without help and/or legal counsel, which we are not in a position to retain at this point, we would just be prolonging the process. Alternatively, we have decided to pursue writing our legislators to urge them to pass an opt out bill for those who do not wish to have a smart meter installed on their property.

Thank you for your time and consideration.

Respectfully submitted,

Rafael Rodriguez III
