Docket No. C-2018-3006434

**MOTION OF WEST PENN POWER COMPANY TO COMPEL RESPONSES TO
INTERROGATORIES AND DOCUMENT REQUESTS**

TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:

West Penn Power Company (“West Penn” or the “Company”) by and through its attorneys, Lauren M. Lepkoski and Tori L. Giesler, and pursuant to 52 Pa. Code §§ 5.371-5.372, hereby files this Motion to compel Tom and Bobbie Altman (“Complainants”) to provide full and complete responses to interrogatories and document requests issued by the Company on February 5, 2019.

In support thereof, the Company avers as follows:

I. BACKGROUND

1. On December 8, 2018, the Complainants filed a Formal Complaint with the Pennsylvania Public Utility Commission (“Commission”) regarding their electric service at 876 Route 271, Ligonier, Pennsylvania 15658, which was electronically served on the Company on December 10, 2018.

2. On December 31, 2018, the Company filed its Answer and New Matter denying the material allegations in the Formal Complaint. On that same day, the Company also filed Preliminary Objections to the Formal Complaint.

3. On January 31, 2019, a Motion Judge Assignment Notice was issued assigning Administrative Law Judge (“ALJ”) Jeffrey A. Watson to this proceeding.

4. On June 10, 2019, ALJ Watson issued an Interim Order denying the Company's Preliminary Objections.

5. Also on June 10, 2019, an Interim Order Establishing Initial Litigation Schedule was issued which set forth the schedule for discovery, the identification of witnesses, and filing of motions in this proceeding. Relevant to this Motion, ALJ Watson issued a discovery deadline of September 20, 2019.

6. On June 17, 2019, in accordance with 52 Pa. Code § 5.341, the Company forwarded to the Complainants interrogatories and document requests ("Discovery Requests") via first class mail. In its Discovery Requests, the Company sought information and documents related to the Complainants' allegations regarding the Company's smart meters. A full copy of the Company's Discovery Requests is attached as Exhibit A.

7. The Complainants did not file any objection to the Discovery Requests and have not provided any responses or the requested documents by the due date. To date, no response to the Discovery Requests or telephone call has been received from the Complainants.

II. MOTION TO COMPEL

8. The Commission's regulations permit the discovery of "any matter, not privileged, which is relevant to the subject matter involved in the pending action." 52 Pa. Code § 5.321(c).

9. Generally speaking, this Commission applies a standard of relevance which is less restrictive than that required by parties to present information into the evidentiary record. It is not grounds for objection that the information sought will be inadmissible at hearing if the information sought appears reasonably calculated to lead to the discovery of admissible evidence. 52 Pa. Code § 5.321(c).

10. Discovery may be obtained regarding any matter relevant to the subject matter. Relevant evidence is evidence that tends to make an act at issue more or less probable. Moreover, evidence is relevant if it advances the inquiry in some degree and, thus, has probative value. Although the law does not furnish an absolute test of relevancy, the Pennsylvania Supreme Court follows a two-part analysis for determining relevance. In *Commonwealth v. Stewart*, 461 Pa. 274, 336 A.2d 282 (1975), the Court held that “[i]t must be determined first if the inference sought to be raised by the evidence bears upon a matter at issue in this case and, second, whether the evidence renders the desired inference more probable than it would be without the evidence. *Id.* at 284.

11. The information sought here by the Company is relatively simple and straightforward. It is directly relevant and material to the issues raised by the Complainants in their Formal Complaint. The Company is entitled to the requested information to enable it to fully investigate what information the Complainants relied on to make the specific and detailed allegations they did in their Formal Complaint. If the Complainants needed more time to answer the Company’s Discovery Requests, they could have contacted the Company to request an extension.

12. The Commission’s Regulations at 52 Pa. Code § 5.371 address the consequences of a participant’s failure to comply with the Commission’s discovery regulations. Section 5.371 provides that:

- (a) The Commission or the presiding officer may, on motion, make an appropriate order if one of the following occurs:
 - (1) A party fails to appear, answer, file sufficient answers, file objections, make a designation or otherwise respond to discovery requests, as required under this subchapter.

13. Further, 52 Pa. Code § 5.372 provides that the presiding officer may impose appropriate sanctions upon a party found to be found in violation of the obligations set forth in the Commission's Regulations.

~~14. As a result of the Complainants' failure to provide complete response to the Company's Discovery Requests, which demonstrates their lack of cooperation and willingness to participate in this proceeding as required under the Commission's regulations, the Formal Complaint in this proceeding should be dismissed in its entirety.~~

15. The Company requests that the Complainants be directed to provide full and complete responses to the Discovery Requests to be received by the undersigned counsel for the Company within five business days after entry of an Order Granting the Motion to Compel.

16. In the event the Complainants are directed by the Commission to respond to the Company's Discovery Requests, but fail to, the Company respectfully requests that the Complaint against the Company be dismissed in its entirety.

WHEREFORE, West Penn Power Company respectfully requests that the Commission issue an Order compelling the Complainants to fully and completely respond to the Discovery Requests such that the responses are received by counsel for the Company no later than five business days after entry of an Order on the Motion to Compel. Further, in the event the Complainants does not comply with the Order directed by the Commission and fails to respond to the Company's Discovery Requests, the Company respectfully requests that the Commission dismiss in its entirety the Formal Complaint of Tom and Bobbie Altman.

Respectfully submitted,
