Docket No. C-2018-3000938

**MOTION OF WEST PENN POWER COMPANY TO DISMISS COMPLAINT OF
ROBERT REDINGER, JR. FOR FAILURE TO COMPLY WITH ORDERS**

TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:

West Penn Power Company (“West Penn Power” or the “Company”) by and through its attorneys, Lauren M. Lepkoski and Tori L. Giesler, and pursuant to 52 Pa. Code §§ 5.245, 5.371-5.372, hereby files this Motion to Dismiss the complaint of Robert Redinger, Jr. (“Complainant”) for his failure to comply with Administrative Law Judge (“ALJ”) Jeffrey A. Watson’s Orders. In support thereof, the Company avers as follows:

I. BACKGROUND

1. On March 26, 2018, the Complainant filed a Formal Complaint with the Pennsylvania Public Utility Commission (“Commission”) regarding 1881 Painters Run Road, Pittsburgh, Pennsylvania 15241 (“Service Location”) which was electronically served on the Company on April 4, 2018.

2. On April 24, 2018, the Company filed its Answer and New Matter denying the material allegations. On the same day, the Company also filed Preliminary Objections to the Formal Complaint.

3. On June 7, 2018, ALJ Watson issued an Interim Order which denied the Company’s Preliminary Objections and referred the matter to mediation.

4. On November 6, 2018, an Interim Order Establishing Initial Litigation Schedule was issued which set forth the schedule for discovery, the identification of witnesses, and filing of motions in this proceeding. Relevant to this Motion, ALJ Watson issued a discovery deadline of March 22, 2019.

5. On November 15, 2018, in accordance with 52 Pa. Code § 5.341, the Company forwarded to the Complainant interrogatories and document requests (“Discovery Requests”) via first class mail. In its Discovery Requests, the Company sought information and documents related to the Complainant’s allegations regarding the Company’s smart meters. A full copy of the Company’s Discovery Requests is attached as Exhibit A.

6. On December 5, 2018, the Complainant contacted counsel for the Company seeking an extension to provide responses or to file objections to the Discovery Requests.

7. On December 26, 2018, the Company sent a letter to the Complainant confirming that Company was willing to provide an extension of time to the Complainant, if needed, as follows: any objections to the Discovery Requests will be filed no later than December 31, 2018 and complete responses to the Discovery Requests will be provided no later than January 10, 2019.

8. The Complainant did not file any objection to the Discovery Requests and did not provided any responses or the requested documents by the due date.

9. On January 16, 2019, due to lack of response to the Company’s Discovery Requests, the Company filed a Motion to Compel.

10. On January 25, 2019, in accordance with the Interim Order Establishing a Litigation Schedule, the Company provided notice and summaries of testimony for its factual and expert witnesses. No witness list was provided by the Complainant.

11. On January 28, 2019, the Complainant filed a response to the Company's Motion to Compel which was dated January 23, 2019.

12. On April 11, 2019, in accordance with the Interim Order Establishing a Litigation Schedule, the Company provided a status report. No status report was provided by the Complainant.

13. On June 10, 2019, ALJ Watson issued an Interim Order granting the Company's Motion to Compel and directing the Complainant to provide full and complete responses to the Company's Discovery Requests no later than July 1, 2019.

14. To date, the Complainant has not contacted the Company regarding the Discovery Requests and no responses have been served on the Company by the Complainant.

15. The Complainant has ignored ALJ Watson's Interim Order Establishing Litigation Schedule requiring the exchange expert and factual witness information by January 25, 2019 and a status report by April 11, 2019, as no witness information or status report has been received from the Complainant as of the filing of this Motion.

16. The Company now files this Motion to dismiss the Formal Complaint of the Complainant due to his repeated failures to abide by the Interim Orders of ALJ Watson, failure to respond to the Company's Discovery Requests, and failure to exchange expert and factual witness information or offer a status report.

II. MOTION TO DISMISS

17. The Commission's regulations permit the discovery of "any matter, not privileged, which is relevant to the subject matter involved in the pending action." 52 Pa. Code § 5.321(c).

18. Generally speaking, this Commission applies a standard of relevance which is less restrictive than that required by parties to present information into the evidentiary record. It is not

grounds for objection that the information sought will be inadmissible at hearing if the information sought appears reasonably calculated to lead to the discovery of admissible evidence. 52 Pa. Code § 5.321(c).

19. Discovery may be obtained regarding any matter relevant to the subject matter. Relevant evidence is evidence that tends to make an act at issue more or less probable. Moreover, evidence is relevant if it advances the inquiry in some degree and, thus, has probative value. Although the law does not furnish an absolute test of relevancy, the Pennsylvania Supreme Court follows a two-part analysis for determining relevance. In *Commonwealth v. Stewart*, 461 Pa. 274, 336 A.2d 282 (1975), the Court held that “[i]t must be determined first if the inference sought to be raised by the evidence bears upon a matter at issue in this case and, second, whether the evidence renders the desired inference more probable than it would be without the evidence. *Id.* at 284.

20. The information sought here by the Company is relatively simple and straightforward. It is directly relevant and material to the issues raised by the Complainant. The Company is entitled to the requested information to enable it to fully investigate and defend against the Complainant’s allegations.

21. The Commission’s regulations at 52 Pa. Code § 5.371 address the consequences of a participant’s failure to comply with the Commission’s discovery regulations and provides that the Commission or the presiding officer may, on motion, make an appropriate order if a party fails to appear, answer, file sufficient answers, file objections, make a designation or otherwise respond to discovery requests.

22. Further, 52 Pa. Code § 5.372 provides that the presiding officer may impose appropriate sanctions upon a party found to be found in violation of the obligations set forth in the Commission’s regulations.

23. The Complainant has failed to provide any response to the Company's Discovery Requests, failed to provide notification of any potential witnesses or status report in contradiction to the Interim Order issued by ALJ Watson.

24. — As a result of the Complainants' failure to provide any response to the Company's Discovery Requests and failure to provide notification of any potential witnesses in contradiction to the Interim Order issued by ALJ Watson, he has demonstrated his lack of cooperation and willingness to participate in this proceeding as required under the Commission's regulations. As a result, the Formal Complaint in this proceeding should be dismissed in its entirety.

WHEREFORE, West Penn Power Company respectfully requests that the Commission dismiss, with prejudice, the Complaint of Robert Redinger, Jr.

Respectfully submitted,
