

Dear Ms. Chiravetta,

I am writing this letter in regards to the complaint against A.E.A. Trucking For Failing to maintain evidence of cargo insurance. I was unaware that there was an issue due to previous years of compliance.

In notifying my Insurance Agent he discovered that the renewal app. sent by email was never received. Therefore, he claims that the application was delayed but the coverage was still in effect, and has since taken care of the issue.

Thank you.
Sincerely,
John McElroy
