PREHEARING ORDER

An initial Call-In Telephonic Hearing is scheduled in this proceeding for Wednesday, September 25, 2019, at 10:00 am. You must be available at this time or you may lose your case. No later than 10:00 a.m. on September 25, 2019, you must connect to the telephonic hearing by calling 877-668-3814, then dialing the PIN 45310677. This call-in information is contained in the Call-In Telephone Hearing Notice sent to the parties on July 29, 2019. Failure of a party to join the telephonic hearing at the scheduled time may result in that party losing its case. The parties are directed to comply with the following additional requirements:

1. If you intend to present any documents for my consideration, you must mail one copy to the other party and three copies to me at least one week prior to the date of the hearing. Please note that attachments to your Complaint, if any, will not be admitted into the record as exhibits unless they are submitted separately in accordance with this paragraph. Your exhibits must be received by me and the other party at least five days prior to the date of the hearing.

2. The parties are directed to provide to each other, in writing, a list of the witnesses they intend to present at the hearing at least one week before the scheduled hearing date. In addition to the name of each intended witness, the description must include the witness's address and occupation, as well as a brief summary of the subject matter about which

the witness will testify. Copies of the witness list must be mailed to the other party and to me sufficiently in advance of the hearing date so that it is received least five days before the hearing.

3. If either party intends to present expert testimony in this proceeding, the testimony of each expert witness must be sent in written question and answer format at least one week before the scheduled hearing date. Three copies of each expert witness's written testimony must be sent to me and one copy must be sent to the other party sufficiently in advance of the hearing date so that it is received least five days before the hearing. The written testimony of each expert witness will constitute the witness's direct testimony and should be reviewed thoroughly prior to the hearing. Each expert witness will be made available for cross-examination during the hearing.

4. If you are an individual or a sole proprietorship, you may either represent yourself or have an attorney licensed to practice law in the Commonwealth of Pennsylvania represent you. However, if you are a partnership, corporation, trust, association, joint venture, other business organization, trust, trustee, legal representative, receiver, agency, governmental entity, municipality or other political subdivision, you must have an attorney licensed to practice law in the Commonwealth of Pennsylvania represent you in this proceeding. Unless you are an attorney, you may not represent someone else. Attorneys shall comply with the Commission's appearance requirements. 52 Pa. Code § 1.24(b). References to the Pa. The requesting party must contact the other party to determine whether there is agreement to the change prior to contacting the presiding officer.
