Answer to Complaint: Docket No. C-2019-3011633

To whom it may concern:

I previously had insurance coverage with Firstline National Insurance Company from 6/1/2018 – 6/1/2019. Before the renewal date, I replaced coverage with Progressive Insurance under policy # 00771304 effective 6/1/2019. The initial filings (Form F and Form E) from Progressive were done on 05/31/2019. The filings were rejected simply because the name on the policy did not match the name on the filing. Progressive was not notified that the filing was rejected and I did not know until I received the Complaint. I have since amended the filing name to match and the new filing was accepted. To the best of my knowledge, all filings are currently in compliance.

Best regards,

Alexander Romanski
