Whom it may concern:

I Navdeep Singh try to transfer the NSB Logistics LLC from Pennsylvania address to New Jersey address on April 2019. I had to get new insurance under NJ address. It took me a month to go thru all the process. PUC gave me 20 days to file the new insurance on the file until April 26, but I didn't had any NJ registration until May 1, so I couldn't file it until I wasn't cleared out with everything . When the NJ address and registration completed my insurance e-file to PUC, but it got rejected because I had PA address on PUC File (2450 chestnut In Easton pa 18040) and insurance had NJ address which does not match on file. I contacted the PUC and they said I have to file a form and change my address. As they told me I did changed it and ask my insurance to file the insurance. I assume they took too long to efile it and I got a letter at home that my authority is cancelled and have to pay fine.

I am paying \$500 fine and please reinstate my PUC authority.
