Docket No. C-2019-3007661

**MOTION OF WEST PENN POWER COMPANY TO DISMISS RESPONSES TO
INTERROGATORIES AND DOCUMENT REQUESTS**

TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:

West Penn Power Company (“West Penn” or the “Company”) by and through its attorneys, Lauren M. Lepkoski and Tori L. Giesler, and pursuant to 52 Pa. Code §§ 5.245, 5.371-5.372, hereby files this Motion to Dismiss the complaint of Sandy Janick (“Complainant”) for her failure to comply with Administrative Law Judge (“ALJ”) Jeffrey A. Watson’s Orders, or respond to discovery propounded by Met-Ed. In support thereof, the Company avers as follows:

I. BACKGROUND

1. On January 31, 2019, the Complainant filed a Formal Complaint with the Pennsylvania Public Utility Commission (“Commission”) regarding her electric service at 602 Thornton Avenue, Greensburg, Pennsylvania 15601, which was electronically served on the Company on February 5, 2019.

2. On February 25, 2019, the Company filed its Answer and New Matter denying the material allegations in the Formal Complaint. On the same day, the Company also filed Preliminary Objections to the Formal Complaint.

3. On March 20, 2019, the Complainant filed a response to the Company's Answer and New Matter.

4. On March 28, 2019, ALJ Watson was assigned as the Presiding Officer in the above-captioned proceeding.

5. On May 3, 2019, ALJ Watson issued an Interim Order, which denied the Company's Preliminary Objections.

6. On May 16, 2019, in accordance with 52 Pa. Code § 5.341, the Company forwarded to the Complainant interrogatories and document requests ("Discovery Requests") via first class mail. In its Discovery Requests, the Company sought information and documents related to the Complainant's allegations regarding the Company's smart meters. A full copy of the Company's Discovery Requests is attached as Exhibit A.

7. The Complainant did not file any objection to the Discovery Requests and has not provided any responses or the requested documents by the due date.

8. Due to a lack of response to the Discovery Requests, on July 19, 2019, the Company filed a Motion to Compel.

9. On July 23, 2019, ALJ Watson issued an Interim Order which granted the Company's Motion to Compel and ordered the Complainant to serve upon counsel for the Company full and complete responses to all of the Discovery Requests not later than August 20, 2019.

10. At no point did the Complainant contact the Company to discuss the Discovery Requests or to seek an extension of time to respond to the Discovery Requests. The Complainant offered no objections or responses to the Discovery Requests in contradiction to ALJ Watson's Interim Order of July 23, 2019.

11. The Company now files this Motion to dismiss the Formal Complaint of the Complainant due to her failure to abide by the Interim Order of ALJ Watson and for her failure to even acknowledge receipt of the Company's Discovery Requests.

II. MOTION TO DISMISS

12. The Commission's regulations permit the discovery of "any matter, not privileged, which is relevant to the subject matter involved in the pending action." 52 Pa. Code § 5.321(c).

13. Generally speaking, this Commission applies a standard of relevance which is less restrictive than that required by parties to present information into the evidentiary record. It is not grounds for objection that the information sought will be inadmissible at hearing if the information sought appears reasonably calculated to lead to the discovery of admissible evidence. 52 Pa. Code § 5.321(c).

14. Discovery may be obtained regarding any matter relevant to the subject matter. Relevant evidence is evidence that tends to make an act at issue more or less probable. Moreover, evidence is relevant if it advances the inquiry in some degree and, thus, has probative value. Although the law does not furnish an absolute test of relevancy, the Pennsylvania Supreme Court follows a two-part analysis for determining relevance. In *Commonwealth v. Stewart*, 461 Pa. 274, 336 A.2d 282 (1975), the Court held that "[i]t must be determined first if the inference sought to be raised by the evidence bears upon a matter at issue in this case and, second, whether the evidence renders the desired inference more probable than it would be without the evidence. *Id.* at 284.

15. The information sought here by the Company is relatively simple and straightforward. It is directly relevant and material to the issues raised by the Complainant in her Formal Complaint. The Company is entitled to the requested information to enable it to fully investigate what information the Complainant relied on to make the specific and detailed

allegations she did in her Formal Complaint. If the Complainant needed more time to answer the Company's Discovery Requests, she could have contacted the Company to request an extension.

16. The Commission's Regulations at 52 Pa. Code § 5.371 address the consequences of a participant's failure to comply with the Commission's discovery regulations. Section 5.371 provides that:

- (a) The Commission or the presiding officer may, on motion, make an appropriate order if one of the following occurs:
 - (1) A party fails to appear, answer, file sufficient answers, file objections, make a designation or otherwise respond to discovery requests, as required under this subchapter.

17. Further, 52 Pa. Code § 5.372 provides that the presiding officer may impose appropriate sanctions upon a party found to be found in violation of the obligations set forth in the Commission's Regulations.

18. As a result of the Complainant's failure to provide any response to the Company's Discovery Requests, which demonstrates her lack of cooperation and willingness to participate in this proceeding as required under the Commission's regulations, the Formal Complaint in this proceeding should be dismissed in its entirety.

WHEREFORE, West Penn Power Company respectfully requests that the Commission dismiss, with prejudice, the Complaint of Sandy Janick.

Respectfully submitted,

Giesler, Esquire; and West Penn’s expert(s) and any and all other experts whom West Penn may hire or whom Med-Ed may consult within regards to the above-captioned proceeding (“Proceeding”). This Agreement establishes procedures for the protection of certain confidential information involved in the Proceeding.

Intending to be legally bound, the parties hereby agree as follows:

1. That the information subject to this Stipulated Protective Agreement is all correspondence, documents, data, personal health information, studies, and other materials to be furnished by Janick’s medical providers pursuant to West Penn’s interrogatories to Janick as to their health conditions, and which Janick’s medical providers may provide to West Penn pursuant to a release signed by Janick. Such materials will be referred to below as “Confidential Information.” When a statement or exhibit is identified for the record, the portions thereof that constitute Confidential Information shall be so designated for the record.

2. All Confidential Information shall only be made available to West Penn subject to the terms of this Stipulated Protective Agreement. Counsel for West Penn shall use or

disclose the Confidential Information only for purposes of preparing or presenting evidence, cross examination or argument in the Proceeding. No other persons may have access to the Confidential Information except as authorized by order of the Commission or of the presiding Administrative Law Judge.

6. Prior to making Confidential Information available to an expert, West Penn shall deliver a copy of this Stipulated Protective Agreement to such expert and shall receive a

written acknowledgment from the expert in the form attached as Appendix A to this Stipulated Protective Agreement or similar acknowledgment consistent with the terms of this Stipulated Protective Agreement. Janick shall be notified promptly of the identity of all persons provided access to Confidential Information pursuant to this paragraph and paragraph 3 above and shall be provided with a copy of each acknowledgment signed by each expert.

7. West Penn acknowledges that all health information it receives from Janick's healthcare providers pursuant to West Penn's interrogatory requests is Confidential Information and West Penn shall immediately stamp each page of such documents "Confidential" and shall keep all Confidential Information segregated from its general litigation files in a secure location.

8. West Penn will consider and treat the Confidential Information as within the exemptions from disclosure provided in the Pennsylvania Right-to-Know Act as set forth at 65 P.S. § 67.708(b).
