PA PUBLIC UTILITY COMMISSION
SECRETARY'S OFFICE
FRONT DESK

Dear Secretary Chiavetta:

On August 4, 2015, Interstate Gas Supply, Inc. ("IGS") filed a Petition with the Pennsylvania Public Utility Commission ("Commission") seeking a reduction in the level of its required bond from 10% to 5% of its most recent twelve (12) months of revenue, pursuant to the Commission's Order entered July 24, 2014, Docket No. M-2013-2393141. By Secretarial Letter issued on November 6, 2015, the Commission granted IGS' request and allowed it to reduce its bond to 5% of gross annual operating revenues. On October 6, 2016, IGS made a similar filing, requesting that the Commission continue its required bonding level at 5% for the subsequent 12-month period. That request was made at the same docket. IGS' request was granted by Secretarial Letter dated November 23, 2016. The same requests were made in 2017 and 2018 and were again granted.

The purpose of this letter is to request that the Commission extend the reduced bonding level of 5% for IGS, for 12-months following the expiration of its current bond. IGS avers that it continues to qualify for the reduced level. By this letter, IGS transmits the appropriate information to the Commission so that the Commission may review its request.

IGS also requests that this Letter and the attachments hereto be treated as **CONFIDENTIAL** by the Commission as the documents contain competitively sensitive information. Accordingly, attached find the following **CONFIDENTIAL** attachments previously required by the Commission when considering such requests:

- 1) A letter from the Pennsylvania Department of Revenue indicating that IGS is in good standing with that Department,

Rosemary Chiavetta, Secretary
Pennsylvania Public Utility Commission
August 30, 2019
Page 2

- 2) Form REV-423 indicating that IGS has prepaid its Gross Receipts Tax for 2019;
- 3) A spreadsheet showing gross revenue for each of the EDC service territories for the twelve (12) month period;

Accordingly, IGS requests that its financial security requirements remain at the current 5% level for the coming year. IGS has a current Bond that will expire in November of 2018 and IGS will renew that Bond upon the Commission's disposition of this request.

If you have any questions concerning this matter, please do not hesitate to contact me.

Very truly yours,

Todd S. Stewart
Counsel for Interstate Gas Supply, Inc.
