In Re: Barbara McDonald v. Metropolitan Edison Company
Docket No. C-2018-3003758

Dear Judge Watson and Rosemary Chiavetta:

I am writing to inform you that I have been unsuccessful in finding an attorney and neither can I afford one. For one, many lawyers do not handle this type of case/work, and for various reasons i.e conflict of interest, etc. I am again, therefore requesting to withdraw my case without prejudice.

Please note, I have sent several letters to withdraw my case. I was even told by your office that my case had been withdrawn (months ago) and that nothing further is needed of me -- that my case is closed. I even submitted the proof of receipt that it was withdrawn and yet my case is continuing against my will. I am being forced to continue my case. I have sent several letters that I cannot find an attorney to represent me neither can I afford one.

To doubly prove my case was closed, I even suggested as an option to Judge Watson on the phone that maybe he should consider subpoenaing the call where I was told by his office months ago that my case was closed/withdrawn. This would prove without a doubt that my case was closed a long time ago.

In any case, again, please withdraw my case. I have sent several, upon several letters to withdraw my case. I cannot find an attorney to represent me neither can I afford one.

Your Honor please rule on my case. Thanks so much.

Sincerely,

Barbara McDonald
