Information on the limits of price variability, or the lack of limits, must appear in a larger type size. The customer also needs to be informed of when and how they will receive notification of price changes. For example, if the customer is not going to be notified of price changes until the new price appears on their bill, the customer should be informed of this. If the customer will be receiving advance notice of price changes, the customer should be told when and how these notices will be provided.*
- *More information about this variable price product, including what this price has been for the past 24 months, can be found at (www.companywebsite.com) or you can call ((XXX) XXX-XXXX). However, please remember that past prices do not indicate present or future prices.*

Electronic Data Interchange and Internet Requirements

Any NGS suppliers and/or broker/marketers that wish to use the Electronic Data Interchange (EDI), in the NGDCs where its available, must meet the EDI certification requirements of the NGDC. Certification is a testing process using the Commission approved Internet protocol. To initiate this process, the NGS is encouraged to contact the NGDC as early as possible after filing an application for a license with the Commission, since certification may require as many as four months to complete and customer service contract dates may not commence prior to certification. NGDC requirements of new suppliers may be found on the respective NGDC home web page. Pennsylvania's industry stakeholder group the Electronic Data Exchange Working Group (EDEWG) develops and maintains the EDI transactions and related business practices, which are found on the Pa. PUC website at http://www.puc.pa.gov/filing_resources/issues_laws_regulations/electronic_data_exchange.aspx. The EDEWG meets telephonically the first Thursday of each month at 2:00pm ET to discuss EDI change control requests and other issues.

To keep current with Pennsylvania EDI practices and policies, a newly licensed NGS may choose to participate in the EDEWG by contacting the following:

Broadleaf, LLC d/b/a Broadleaf Energy

Chester Springs, PA 19425

Dear Michael Meehan:

We are pleased that Broadleaf, LLC d/b/a Broadleaf Energy has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Broadleaf, LLC d/b/a Broadleaf Energy could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Broadleaf, LLC d/b/a Broadleaf Energy has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Broadleaf, LLC d/b/a Broadleaf Energy does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Broadleaf, LLC d/b/a Broadleaf Energy changes in the future, Columbia Gas might deem it appropriate to require Broadleaf, LLC d/b/a Broadleaf Energy to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4881 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Debbie Vair

Re: Broadleaf, LLC

Dear Michael,

National Fuel Gas Distribution Corporation ("NFGDC") is aware Broadleaf, LLC (BRL) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas service to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, BRL must furnish acceptable security to each utility where BRL will do business. As such, under its tariff, NFGDC could require BRL to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that BRL intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, BRL will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, BRL does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by BRL change in the future, NFGDC reserves the right to require security from BRL as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7541.

Yours truly,

Nicole Barker

RE: Security Requirement Bond for Broadleaf, LLC

Dear Mr. Meehan:

Philadelphia Gas Works ("PGW") is aware that Broadleaf, LLC has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, Broadleaf, LLC must furnish acceptable security to each utility where Broadleaf, LLC will do business. As such, under its tariff, Philadelphia Gas Works could require Broadleaf, LLC to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, you have indicated, and it is Philadelphia Gas Works' understanding, that Broadleaf, LLC intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that in performing these services Broadleaf, LLC will never take title to any delivered natural gas.

Based upon your representations, Philadelphia Gas Works has determined that, at this time, Broadleaf, LLC does not need to post a bond or other form of security to operate in its service territory. If the services provided by Broadleaf, LLC should change, Philadelphia Gas Works reserves the right to require security from Broadleaf, LLC as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 215-684-6725.

Sincerely,

Re: Broker Requirements

Dear Broadleaf Energy:

PECO is aware that Broadleaf Energy has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, Broadleaf Energy could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Broadleaf Energy has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers, and will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that Broadleaf Energy does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by Broadleaf Energy the creditworthiness requirement for PECO's exposure to Broadleaf Energy changes in the future, PECO reserves the right to require Broadleaf Energy to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

Respectfully submitted,

Dear Mr. Meehan:

We are pleased that Broadleaf, LLC d/b/a Broadleaf Energy has applied for a license to provide natural gas services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, Peoples Natural Gas Company LLC – Equitable Division, and Peoples Gas Company LLC (formerly Peoples TWP) (“the Companies”).

Since Broadleaf, LLC d/b/a Broadleaf Energy is not currently serving customers on the Peoples systems, we have determined at this time that Broadleaf, LLC d/b/a Broadleaf Energy does not need a bond or other financial security requirement to provide these services to the Company’s customers.

If a Pool is established, and customers are enrolled which alters the creditworthiness requirement or the Company’s exposure to Broadleaf, LLC d/b/a Broadleaf Energy provision of services on the Peoples’ system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

**RE: Broadleaf Energy
Application to Serve as a Natural Gas Broker**

Dear Mr. Meehan,

Based on your assertion that Broadleaf Energy ("Broadleaf") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities, Inc. ("UGIU") has concluded that Broadleaf will not need to post security with UGI Utilities, Inc. – South Rate District ("UGI South"), UGI Utilities, Inc. – North Rate District ("UGI North") or UGI Utilities, Inc. – Central Rate District ("UGI Central"). This is based on the declaration that Broadleaf will be acting in conjunction with a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGIU Tariffs. If Broadleaf wishes to directly serve Choice customers in the service territories of UGI South, UGI North and/or UGI Central in the future as a natural gas supplier, it will have to post security as specified in the respective UGI Tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions you may have.

Sincerely,
