IN HOUSE ENERGY CONSULTANT, MWM INVESTMENTS

5/2013-6/2016

MWM is a hedge fund which owns a large property management firm. They hired me to get the best gas and electric rates for all the properties they managed. I learnt partially from coworkers who have been doing this for a while, but mostly on the job. My job entailed speaking to suppliers and quoting out the accounts. Once I had the cheapest rates with the best terms, I would present a contract to the property owner. After doing this for around 3 years I decided to open my own energy brokerage.
