 v. : C-2019-3007121
 :
 PPL Electric Utilities Corporation ..

MOTION TO COMPEL

HONORABLE ADMINISTRATIVE LAW JUDGE ELIZABETH BARNES

Honorable Elizabeth Barnes, I, Dana Brennan, respectfully request that PPL Electric Utilities be compelled to answer the Interrogatories propounded. In the answer PPL Electric Utilities has objected to the majority of the Interrogatories. Due to the overwhelming objections to most of the Interrogatories I am unable to properly prepare for the hearing date on September 10, 2019. Attorney Ryan and PPL have categorically refused to answer any questions which is only an attempt to hide requested information. The questions that were asked of PPL Electric Utilities Corporation is not a secret formula such as Coca-Cola or Kentucky Fried chickens recipe. The questions that required answers do not take a rocket scientist to answer.

EXAMPLES UNITED STATES THE SUPREME COURT DECISION
The Supreme Court decision of 9-0 illustrates that no one in this Country has the right to take anything without due process of the law. This pertains to taking information out of my home.

In the Objection by Dana Brennan to PPL Electric Utilities objection to interrogatories dated 8/5/2019 PPL was directed to answer the following questions AND RECEIVED NO ANSWERS.

#10 When did PPL Electric Utilities Corporation obtain a Court order allowing them to use a wire tap, electronic surveillance, search, spy, track, surveillance or use any technology to gather information or anything whatsoever from my home and property?

11. Can you please provide me with the date that the Court approval was granted and a copy of the warrant and administration action for justice?

12. Name of Court and location where the Court Order was obtained?

13. What was the duration or date the Court Order was started and ended?

14. Provide the name of the Judge that granted the Order?

15. Please provide a copy of the Court Order PPL Electric Utilities Corporation have in their possession pertaining to allowing wire tapping or other electrical surveillance they have been using to accumulate my private information.

16. Did PPL Electric Utilities Corporation ever have any Court authorization granted to search the residence, premises and property of Dana Brennan?

Your Honorable Judge Barnes in all fairness Attorney Ryan was obligated to answer all questions put forth in each document he received by certified mail and not just what he wants to answer.

Thank you for your time and consideration

Respectfully submitted,

Dana Brennan
