Re: Docket No. C-2019-3010453

James W. Kuhn v. Pennsylvania Electric Company

-Request for an In -Person Hearing as opposed to a Telephone Conference;
-Answer for Motion for Continuance;
-Request to add two witness's being Richard Makohus, Bloomfield Township Zoning officer and Benedict Tarr, PUC Electric Safety Engineer .

Dear Secretary Chiavetta:

Attached for filing, is a request for an In-Person Hearing for James Kuhn (Complainant) and the Pennsylvania Electric Company (Respondent) in the above captioned proceeding as opposed to a Telephone Conference scheduled September 11, 2019 at 10 AM. I think it could be explained in person rather than on a telephone conference due to the seriousness of damage and potential loss of life of this situation.

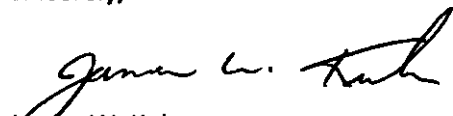

The Pennsylvania Electric Company (Respondent) is filing a Motion for Continuance which I oppose due to the danger involved in extending the time period allowing additional time for the tree to fall.

In addition to add two witness's being Richard Makohus, Bloomfield Township Zoning officer and Benedict Tarr, PUC Electric Safety Engineer.

A copy has been provided to the Respondent in the manner indicated on the attached Certificate of Service.

Please contact me at your convenience if there are any questions.

Sincerely,

James W. Kuhn
