Carole,

Per our telephone conversation, this is to confirm that Pittsburgh Water and Sewer Authority has no objection to E.S. Management seeking a 30-day extension from the Pa. Public Utility Commission to respond to PWSA's New Matter. To make that request, you will need to contact Rosemary Chiavetta, PUC Secretary, at 717-787-8009. If you let her know that you have spoken to me and that I have no objection, I think she may issue a letter granting the extension without you having to submit a formal written request. If she does require a letter requesting the extension, the PUC's eFiling system is pretty easy to use.

Thank you.

Karen
