**Re: Liza Mousios and Roy Cumming v. Metropolitan Edison Company
Docket No. C-2019-3007989 and C-2019-3007995**

Dear Secretary Chiavetta:

In accordance with the Interim Order issued on July 24, 2019 in the above-referenced matter, this letter serves as a status report on behalf of Metropolitan Edison Company ("Met-Ed"). Counsel for Met-Ed has not been able to speak to Mr. Cumming nor Mrs. Mousios regarding the following: (1) preference for either an in-person or telephone hearing; (2) at least five mutually-agreeable hearing dates; and (3) whether either party is proposing the service of written direct testimony prior to the hearing, and if so, deadlines for the parties to serve it.

As such, Met-Ed states that it desires that any evidentiary hearing be scheduled as a telephonic hearing. Further, the Company and its witnesses are available the following dates: January 9, 16, and 21, 2020. Lastly, Met-Ed believes it is in the best interests of all parties and for purposes of judicial economy to provide for written testimony to be submitted. Met-Ed proposed that the Complainants' written direct testimony be due October 25, 2019, with Met-Ed's rebuttal testimony due November 22, 2019.

Copies of this report are being provided in accordance with the attached Certificate of Service. Should you have any questions regarding this report, please do not hesitate to contact me.

Very truly yours,

Lauren M. Lepkoski
