RE: Your File C-80041953
Ralph D. Pratt, State Representative
vs. The Baltimore and Ohio Railroad
Company, et al.

Dear Mr. Thierfelder:

On January 22, 1981, in the above captioned docket, the Baltimore and Ohio Railroad Company was ordered to clean and paint the Fifth Street Underpass in Ellwood City within 120 days of the date of the order.

To date, there is no evidence of any work having been done to comply with that order.

The Council of the Borough of Ellwood City requests an update on the status of this order, and of any progress the PUC is aware of that pertains to this order. Would you please supply us with an update?

Thank you for your prompt attention to this matter.

Sincerely,

Edward Leymarie, Jr.
