Re: Thomas and Linda Licht v. Metropolitan Edison Company
Docket No. C-2018-3004078

Dear Judge Watson:

Please be advised that Mr. and Mrs. Licht have provided partial responses to the Interrogatories and Request for Production of Documents, Set I, issued by Metropolitan Edison Company ("Met-Ed"). In light of the responses received and the fact that Mr. and Mrs. Licht indicate they will not be presenting witnesses other than themselves in this proceeding, Met-Ed desires to withdraw its Motion to Dismiss which was filed on April 24, 2019. Met-Ed also advises that in light of this information, it will only plan to present the testimony of Mr. John Ahr at an evidentiary hearing held in this matter. This document has been served on the Complainant as shown in the Certificate of Service.

Please contact me if you have any questions regarding this matter.

Very truly yours,

Tori L. Giesler
