FORMAL COMPLAINT

NOW COMES the Bureau of Investigation and Enforcement (“I&E”) of the Pennsylvania Public Utility Commission, by its prosecuting attorneys, pursuant to Section 701 of the Public Utility Code, 66 Pa.C.S. § 701, and files this Formal Complaint (“Complaint”) against Mario Coates d/b/a First Class Movers (“First Class Movers,” “Company” or “Respondent”) alleging violations of the Public Utility Code and attending Regulations. In support of its Complaint, I&E respectfully avers as follows:

Parties and Jurisdiction

1. The Pennsylvania Public Utility Commission (“PUC” or “Commission”), with a mailing address of 400 North Street, Harrisburg, PA, 17120, is a duly constituted agency of the Commonwealth of Pennsylvania empowered to regulate public utilities within the Commonwealth pursuant to the Public Utility Code, 66 Pa.C.S. §§ 101, *et seq.*

2. Complainant is the Commission's Bureau of Investigation and Enforcement and is the entity established to prosecute complaints against public utilities pursuant to 66 Pa.C.S. § 308.2(a)(11). Complainant's counsel is as follows:

Christopher M. Andreoli
Prosecutor
chandreoli@pa.gov
(717) 772-8582

Michael L. Swindler
Deputy Chief Prosecutor
mswindler@pa.gov
(717) 783-6369

3. Respondent is Mario Coates D/B/A First Class Movers, with its principal place of business located at 2578 Pitcairn Road, Apartment A, Monroeville, PA 15146.

4. Respondent holds itself out to be a household goods carrier as evidenced by its Website and other advertising on the Internet. See Exhibit I&E-1.

5. However, Respondent lacks PUC authority to provide or furnish transportation of household property for compensation within the Commonwealth as a common carrier by motor vehicle or a contract carrier by motor vehicle, pursuant to Sections 102 and 2501(b)(1) of the Public Utility Code. See 66 Pa.C.S. §§ 102 and 2501(b)(1).

6. Section 501(a) of the Public Utility Code, 66 Pa.C.S. § 501(a), authorizes and obligates the Commission to execute and enforce the provisions of the Public Utility Code.

7. Section 701 of the Public Utility Code, 66 Pa.C.S. § 701, authorizes the Commission, *inter alia*, to hear and determine complaints against public utilities or companies holding themselves out to be a public utility for violations of any law or regulation that the Commission has jurisdiction to administer or enforce.

8. Section 3310 of the Public Utility Code, 66 Pa.C.S. § 3310, authorizes the Commission to impose administrative penalties on any person or corporation operating as a common carrier by motor vehicle or as a contract carrier by motor vehicle without a certificate of public convenience, permit, or license authorizing the service performed.

9. More specifically, pursuant to Section 3310(b) of the Public Utility Code, 66 Pa.C.S. § 3310(b), any unauthorized contract common carrier transporting household goods by motor vehicle shall be deemed in violation of this title and shall be ordered to pay an administrative penalty as prescribed in Section 3310(c). Section 3310(c) specifically provides that an administrative penalty of Five Thousand Dollars (\$5,000) be imposed for a first violation of this section.¹

10. Respondent, by providing or furnishing the transportation of household property between points within the Commonwealth by motor vehicle for compensation is subject to the power and authority of this Commission pursuant to Section 501(c) of the Public Utility Code, 66 Pa.C.S. § 501(c), which requires a public utility to comply with Commission regulations and orders. Consequently, Respondent is subject to Section 3310(b) of the Public Utility Code, 66 Pa.C.S. § 3310(b), and the corresponding penalty promulgated under Section 3310(c) of the Public Utility Code, 66 Pa.C.S. § 3310(c).

¹ Section 3310 of the Public Utility Code, 66 Pa.C.S. § 3310(c), which was amended and made effective on February 20, 2018, authorizes the Commission to impose the following penalties on any person or corporation who operates in violation of 66 Pa.C.S. § 3310(b) as a common carrier or contract carrier by motor vehicle without a certificate of public convenience, permit, or license: (1) A \$5,000 administrative penalty shall be imposed for a first violation and \$10,000 for a second or subsequent violation; (2) Suspension of the registration of any vehicle whereby a determination has been made that it operated as a common carrier or contract carrier by motor vehicle without the approval of the Commission in accordance with 75 Pa.C.S. § 1375; and (3) Confiscation and impoundment of vehicles which have been used to provide common carrier or contract carrier by motor vehicle without Commission approval, subject to the process for the disposition of impounded vehicles as set forth under 75 Pa.C.S. § 6310.

Background

11. PUC Motor Carrier Enforcement Division was notified by certificated household goods carriers that Respondent was operating and transporting household goods in violation of the Public Utility Code.

12. As part of this investigation, between July 29, 2019 and August 3, 2019, PUC Motor Carrier Enforcement Officer, Cynthia Hawthorne, arranged a move of household goods with Respondent through a series of telephone calls and text messages. Respondent ultimately agreed to move household goods from Cheswick, PA to Monroeville, PA. The agreed upon price for this intrastate move was a flat rate of \$550.00.

13. On August 6, 2019, Respondent arrived at the agreed upon meeting location in Cheswick, PA. Respondent arrived in a vehicle with markings that identified it as a “U-Haul” truck. According to Officer Hawthorne, Mario Coates was driving the U-Haul truck and his helper was seated in the passenger side of the truck. Officer Hawthorne identified herself to Respondent as an Enforcement Officer with the Pennsylvania Public Utility Commission’s Motor Carrier Division, and supporting Officers, including the Harmar Police Chief, arrived to assist with the traffic stop and vehicle inspection. The U-Haul truck had no registration on it and no rental agreement was available. Respondent advised Officer Hawthorne that he paid another individual \$50.00 to rent the U-Haul truck for this move.

14. Respondent was then advised that the U-Haul truck would need to be picked up by a person with a valid Pennsylvania driver’s license.²

15. Respondent does not possess nor has ever been issued a certificate of public

² The Pennsylvania Driver’s License of both Mario Coates and his helper were under suspension. Both men admitted to Officer Hawthorne that their driver’s licenses were suspended.

convenience, permit, or license by the Commission authorizing such transportation of household property between points within the Commonwealth.

Violation

16. All allegations in paragraphs 1-15 are incorporated as if fully set forth herein.

17. Section 3310(b) of the Public Utility Code states that any person or corporation that operates as a common carrier or contract carrier by motor vehicle (as defined in 66 Pa.C.S. §§ 102 and 2501(b)) for the transportation of household goods without a certificate of public convenience, permit, or license issued by the Commission authorizing such service performed, in violation of Section 3310(a),³ “*shall* be ordered to pay an administrative penalty as prescribed in subsection (c).” 66 Pa.C.S. § 3310(b) (emphasis added).

18. Respondent violated Section 3310(a) and (b) of the Public Utility Code, 66 Pa.C.S. §§ 3310(a)-(b), by operating as a common carrier and/or contract carrier by motor vehicle without a certificate of public convenience, permit, or license issued by the Commission when it agreed to transport household property between points within the Commonwealth for compensation.

19. Section 3310(c) of the Public Utility Code requires that “[t]he amount of the administrative penalty under subsection (b) *shall* be \$5,000 for a first violation and \$10,000 for a second or subsequent violation.” 66 Pa.C.S. § 3310(c) (emphasis added).⁴ As such, I&E’s requested penalty is \$5,000 for this violation.

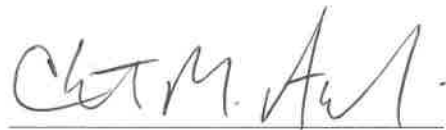

³ 66 Pa.C.S. § 3310(a).

⁴ Section 3310 of the Public Utility Code, 66 Pa.C.S. § 3310(c), was amended and made effective on February 20, 2018. I&E researched the Respondent’s history and record with the Commission and concluded that this is Respondent’s first violation in Pennsylvania since Section 3310 of the Public Utility Code, 66 Pa.C.S. § 3310(c), was amended and made effective.

20. I&E is not requesting confiscation and impoundment of the vehicle which was used to provide common carrier or contract carrier by motor vehicle without Commission approval as permitted pursuant to 66 Pa.C.S. § 3310(c)(2)(ii), as I&E is unable to confirm whether the vehicle used in the provision of service that is the subject of this Complaint was a rented "U-Haul" truck. As such, I&E is unable to confirm whether the truck in question was owned by Respondent and/or registered in Pennsylvania.

WHEREFORE, for all the foregoing reasons, the Bureau of Investigation and Enforcement of the Pennsylvania Public Utility Commission respectfully requests that the Commission find the Respondent in violation of the only count as set forth herein, and that Respondent be assessed the statutorily mandated administrative penalty of Five Thousand Dollars (\$5,000). Should the Respondent fail to pay the statutorily mandated administrative penalty of Five Thousand Dollars (\$5,000) upon Order of the Commission, the Bureau of Investigation and Enforcement requests that this matter be referred to the Pennsylvania Office of Attorney General for appropriate action.

Respectfully submitted,

Christopher M. Andreoli

I contacted Mario of First Class Movers Inc (which I now learned is not a company that is registered with the state of PA to do business) and he quoted me \$550 for my move. I told him how much stuff we had (approximate boxes plus how many rooms) and he said no problem. A few days before the move, I asked him what size the truck would be and he told me 20'. I responded that wouldn't likely be enough, since we previously moved with a 26' truck and all moving companies quoted our household size at needing 28'. He didn't respond, so I said that I hoped it would fit - he said okay. They showed up slightly late for our move and he brought his 3 year old son (In the front of the moving truck without a car seat - and two movers sat in the back of the truck, the box part). They loaded up our stuff pretty quickly but couldn't get it all. They brought that truckful and offered to return for a second trip for \$100 extra (totaling \$650). We agreed. While unloading the first truckload, I watched them dump my sewing machine out from its antique sewing desk and it landed on the hard floor (and now doesn't work properly). The guy picked it up and didn't apologize or check it over but to shove it back in. That was all I noted during unloading, as it started to rain so I went inside with the baby and directed from the window. They went back for the second load (didn't fill the truck NOR did they take everything), unloaded, and I paid them (\$710, \$60 over the agreed upon price, because they DID work fast). However, I had not realized the way they had haphazardly thrown stuff in my garage; smashing boxes and bins. I also didn't notice that they had broken items until we were able to move stuff around (my banister was split at the corner because they rolled furniture over it, they put two holes in my couch, they sheared knobs off my washer and broke the side of it, they sheared my desk at the edges - and I work from home so I had to buy another desk to be able to work, in a hurry). I tried to reach it to Mario (via text, as that was his normal method of communication) and he got smart and retorted that my stuff was old and falling apart (while some things are older, our stuff isn't falling apart). I told him that I had hoped to discuss this with him before giving the company a review, as I like to give positive reviews when I can - including when something not great happens but the customer service response was good- and he asked for pictures. I sent them, but he did not respond. No further communication occurred.

Not only are they not insured, they are not even a real company authorized to operate in PA. They prefer you pay in cash (or - if you pay by check, it's made out to Mario - NOT First Class Movers Inc). They don't respond to issues and they are completely unprofessional (and dangerous / law-breaking, re: his son and the guys riding in the back - of course stuff got broken)

Happy to recommend First Class Movers. They successfully moved our home quickly and safely. The business owner, Mario, was quick to respond in correspondence, personable and helpful. He was open to negotiate our quote since we weren't moving the typical large pieces of furniture. I appreciated the flat rate and easy service that included the truck and movers compared to other moving companies that charge by the hour (In my research I found that some charge an hour per staircase, an hour depending on the distance between the home & truck and others didn't include the truck!) With First Class Movers, I was able to reserve the service with short notice, we weren't planning to hire movers in the first place! If you are looking for a less stressful move at a fair price, First Class Movers is to be considered. Thank you to Mario & his team!

Our first appointment was disappointing. They never showed and didn't return our calls. Several hours later they called to tell us their truck was in the shop and wasn't fixed in time. They offered to come back the following day and did. When they got there they were great: careful, quick and courteous.

They were fast movers- at the expense of our furniture and walls. Understandably, when moving heavy furniture there is going to be a few dings but they were completely negligent and careless- dropping and running into every wall. When asked to be more careful the owner got incredibly defensive and denied they caused the damage and went on to blame us for being "unorganized". He also reminded us (more than once) he had another move to do so they needed to expedite our move. They didn't take the time to put items in the proper rooms even though each box was clearly marked. The owner refused to help us put together a bed that they moved and when asked about it he was rude & completely unprofessional- yelling at us. Please do yourself a favor and hire a more professional moving company.

Mario and his team made the stress of moving so much less for me. They showed up a few minutes late, but that's because they were on another move. And they had two more after me, on a Sunday! They're busy because they are quick, efficient, reasonably priced and a pleasure to work with. I highly recommend, great guys!

We used First Class Movers back in September and it was a very good experience. Mario and his crew were great. I had to reschedule twice due to closing issues with my bank and he was understanding and worked with me. I called on a Tuesday to tell him I'm now ready to move Friday and he was there. He did have his truck break down and was late, but called to let me know and I wasn't just wondering where he was. Best of all, their flat moving rate is the best. No worries about going over on time.

This company was professional and every efficient. There were no issues and they moved everything out and in to the new place in an hour and a half. They made sure to have their workers take off their shoes so they were not tracking in dirt from the outside. I would recommend them to anyone 100%. Thank you for making my move so much easier and stress free.

I used first class movers yesterday for an in town move. They were a little late getting there, but they texted to let me know that they were running behind. They worked very quickly and efficiently, were very nice and professional. All of our items were safely moved into our new house in under four hours. Communication before and after the move was great. The price for the amount of work was definitely worth it. Thank you for helping us with our move!
