Docket No. C-2018-3002804

JUDICIAL NOTICE

AND NOW comes Diana Sabatine, a woman, as herself, a human being, and not a fictitious entity, and not an attorney or a lawyer (Complainant).

Complainant files this *Judicial Notice* to Pennsylvania Public Utility Commission (PUC) Administrative Law Judge Jeffrey Watson and any person or people involved with the existing interpretation and/or power to change Act of October 15, 2008, P. L. 1592 and Public Law 109-58 – Aug. 8, 2005.

Complainant in the above-captioned docket number did not receive in writing an answer from the Chairman and ALJ to Complainant's *Fourth Amended Notice and Petition to Challenge Jurisdiction* with requested relief, dated and filed with the Secretary on February 5, 2019, along with a *Notice to Plead to Respondent* in which the Chairman, ALJ and Respondent remains silent - and silence is acquiescence.

It is critical that the PUC understand the plain English claim of divinely given rights ascribed to each of the people, such as the Complainant, as described in the Bible, the Magna Carta, the Declaration of Independence, Articles of Confederation, Pennsylvania Constitutions, and The Constitution for these united states of America, as lawfully amended. While the Complainant does not make light of any of the violations of her rights and duties, she particularly points out potential damage to rights of privacy and pursuit of happiness.

Respondent (West Penn Power Company and/or First Energy Corporation, and/or First Energy Service Company as “West Penn” or the “Company”) stated in a letter to ALJ dated on or around February 2, 2019, that “The Commission may make such regulations, not inconsistent with law”. Complainant agrees that The Commission (Pennsylvania Public Utility Commission) must adhere to the law. The Complainant holds the Commission’s regulations to implement Act of October 15, 2008, P. L. 1592 are inconsistent with the law. Further, the Complainant avers that regulations demanding deployment of control devices known as “smart meters” are contrary to both the law and the statute according to Act of October 15, 2008, P. L. 1592 and Public Law 109-58 – Aug. 8, 2005. As pointed out by the Respondent, inconsistency with law is the core of this hearing.

In short, The Commission has erred by violating both the act and the law known as *Act of October 15, 2008, P. L. 1592* and *Public Law 109-58 – Aug. 8, 2005*. If the PUC and its agents are unwilling or unable to correct the “implementation” of said Act, complainant reserves the right to seek a completely new trial by jury of her peers either in the Commonwealth Court or a federal court.

Notice to Agent is Notice to Principle: Notice to Principle is Notice to Agent.

All Rights Reserved,
