Docket # C-2019-3011650

PUC# A-8917485

I received the week of July 21, 2019 a letter stating that you did not have insurance on file. I called PUC and spoke to a very helpful lady (that sounded a little older). She had explained to me that it was very important to write a letter with my explanation for the laps of insurance and that I could not give the forms needed personally that my insurance company had to. That same day I was in contact with my insurance agent and had this problem being taken care of. Meanwhile that same evening I typed a letter stating what happened (a copy is attached). I'm now responding to this same docket # that is stating the PUC never received my letter.

This is a letter to petition the \$500 fine being issued to R5 Express for not sending the PUC a letter. I'm certain the letter was mailed in a timely matter so it would have been received on time. However the PUC doesn't have this on file.

Thank You,

R5 Express

R5 Express Inc. PUC A-8917485

To whom it may concern,

R5 Express Inc. received a suspension letter due to a laps in truck cargo insurance. R5's policy through National Casualty expired July 11, 2019, and the new policy through Progressive insurance company took effect on July 11, 2019. I contacted my insurance broker, Truckers Insurance Services of Kennett Square PA, and he informed me that Progressive had sent all documents to you. Enclosed are copies of the documents that were received by Harrisburg, to include receipts from FedEx.
